NOMINATIONS FOR ELECTION OF TOWN MAYOR AND DEPUTY MAYOR

1.0 Summary

1.1 We have received one nomination in advance of the meeting for the election of Town Mayor, and one nomination for the election of the Deputy Mayor

2.0 Nomination for Town Mayor

Dear Colleagues,

As you know I have been lucky enough to have held the position of Town Mayor for the last 12 months, which I have been extremely proud of. I believe with the help of the Deputy Mayor I have worked hard in representing our beautiful town, and would be honoured if I was given the opportunity to represent you all again for another year.

*Could I therefore please ask for your support when electing our Town Mayor.
Councillor Spike Mayhew*

3.0 Nomination for Deputy Mayor

Dear Colleagues,

I would like to stand again for the position of Uckfield Town Council's Deputy Mayor.

This past year has been amazing; meeting new people in addition to those that have been good friends for many years but support a range of organisations and community groups in the town.

I've been able to see so much more of what happens in and around Uckfield. Our last invitation was to attend the ATC Squadron 2530's Annual Awards Ceremony and this, I have to say was an incredible evening. Having worked with the ATC Squadron for the Uckfield Carnival and Bonfire weekend, and attended events at their base, I have worked alongside the cadets in their formal capacity, but it was great to see the friendships they had built with one another through the ATC, and benefits that the organisation brings socially and to their wellbeing.

I hope that by being the Deputy Mayor again, I can show how so many work within Uckfield to provide so much more for others.

Thank you

Councillor Jackie Love
