Agenda Item No. 5.5

TO CONSIDER A GRANT APPLICATION FOR FUNDING IN 2019/20

1.0 Summary

- 1.1 On 12th September 2018, members of Finance Sub-Committee reviewed a total of 24 applications for community grant funding for 2019/20.
- 1.2 Each year, the Town Council receive a large number of applications and each application is reviewed on its own merits. Representatives from the organisations are invited to attend and present information to support their application as well as answer any questions.
- 1.3 On 1st October 2018, members of General Purposes Committee considered the applications received and resolved to approve the recommendation to provide £24,531 in community grant funding in 2019/20 to a range of local community organisations and voluntary groups. This funding would be provided under the General Power of Competence, with a total budget of £25,000 available.
- 1.4 Unfortunately it has since been identified, that an application (received on 3rd August 2018 and in plenty of time before the end of August deadline) had been missed within the administrative email account of the Town Council. This meant that the application was not reviewed by Finance Sub-Committee on the night of 12th September 2018, and not considered alongside all others, when deciding the way in which the funding would be distributed.
- 1.5 A copy of the full application has been provided to members in appendix A (with only the main application document being attached in the public domain).

 Members are asked to consider this application on its own merits, whether they wish to support and provide any financial contribution towards the organisation's project and if a contribution is to be made, from where this funding would be taken.

2.0 Recommendations

2.1 Members are asked to review the attached application for community grant funding for 2019/20 and advise the Town Clerk accordingly.

Meeting of the General Purposes Committee

Monday 5th November 2018

Agenda Item 9.1 (i)

REPRESENTATIVES ON OUTSIDE BODIES: REPORT OF THE CITIZEN'S ADVICE BUREAU

Quarterly Performance Report to Uckfield Town Council - 2018/19 Quarter 2

Aim of the service

To provide the advice people need for the problems they face and to improve the policies and practices that affect people's lives. WCA will provide a free, confidential, independent and impartial service, valuing diversity, promoting equality and challenging discrimination. The service is open to all, informing people of their rights and responsibilities.

Key Performance Indicators

1. Opening Hours

The Uckfield office has provided advice: face to face, over the phone and by email during the following opening times – skype has not been used. The bureau has only been closed for staff meetings and training.

Day	Face to face	Telephone	Email
Monday	9.30 to 3	9.30 to 3	9.30 to 3
Tuesday	Specialist appts only	Available via other bureaux	
Wednesday	9.30 to 3	9.30 to 3	9.30 to 3
Thursday	9.30 to 3	9.30 to 3	9.30 to 3
Friday	9.30 to 3	9.30 to 3	9.30 to 3

In addition, we offer specialist money advice appointments at the bureau between 9am and 5pm. The financial support of High Weald Lewes Havens Clinical Commissioning Group (HWLH CCG) has now ended and money advice is now funded from within our core service – this has required us to make savings elsewhere.

<u>From 1 November</u> we will be making changes to our opening hours given the staff reductions we have had to make to live within our means. While we will be offering the same number of full advice and specialist appointments as we do now, our opening hours for drop-in advice will change to 11am-3pm from 1 November.

We will remain open for telephone advice from 9.30 am to 3pm. Our ADVICELINE is currently operated in partnership with other East Sussex bureaux. The aim of this approach was to extend the times during which calls could be taken by sharing the load across the county. However, this has not been as effective as we would have wished. From 1 November we will implementing a new approach, offering a voicemail and also text service funded through the Sussex Community Foundation so whatever time of day a client tries to contact us they can

leave a message and we can return their call, booking them a timed appointment if necessary. This has proved effective in other parts of the country in boosting access to advice.

2. Premises

Gaps in the ceiling have been sealed to prevent a recurrence of the unusual dust issue that forced the closure of the office for 1 week and in preparation for more substantial work on the roof in due course.

3. Reporting

The Uckfield office helped **773 clients** in the first half of 2018/19, comparable to last year given the office was closed for 1 week and given the amount of training we have had to do e.g. to comply with GDPR changes.

2 in 5 of our clients had a disability/long term health condition and 1 in 4 were 60 or over.

Clients raised **2,857 issues** - giving a ratio of **3.7 issues per client**. This is a higher ratio than last year and reflects the fact that the bureau's caseload is becoming increasingly complex with clients often visiting the bureau multiple times e.g. because of multiple debts or to appeal an incorrect benefit assessment. We are increasingly seeing "regular" clients who have real difficulties managing their day to day lives and have nowhere else to turn for support.

A full summary of the issues handled is attached at annex A.

Of the issues raised the main five areas of advice were as follows: welfare benefits 33%; debt 18%; employment 10%, housing 7.5% and relationships & family 6.5%.

The Uckfield team secured £394,982 in improved financial outcomes in this quarter - this could be anything from an increase in benefits, compensation, a refund, debt write-off, successful appeal or challenge. The team gained £192,811 in additional income (e.g. benefits/tax credits) for clients over this period (£103,782 of which was for Uckfield residents) and, with the support of our specialist money adviser, helped clients write off £200k in debts. The team also helped 29 people who were homeless or threatened with homelessness.

Our annual customer satisfaction survey (Jan-March 18) showed **99%** of clients as being happy or very happy with the service they received. There have been no complaints about the service this quarter.

Our top priorities for research & campaigns remain:

- The operation of the welfare benefits system, particularly for those making claims for sickness and disability benefits. We are currently working on a report which exposes the additional difficulties experienced by clients living in rural communities e.g. getting to assessment and appeal venues. We hope the report will be published later this year.
- The implementation of Universal Credit, particularly having outreach in place in all the town hubs of the District. A DWP outreach service will be offered from the bureau when Universal Credit claims start to come through following the go live on 26 September.

We are fortunate to have around 32 volunteers at Uckfield.

These volunteers have been supported by:

- full time equivalent advice session supervision
- a day a week admin support
- 1 day a week trainer

The hours available for training and cover supervision have reduced since 1 August and access to the help of specialist benefits staff at Hastings Advice & Representation Centre has now ended following the termination of CCG funding.

Wealden Citizens Advice is also supported by 9 volunteer trustees.

4. Other service developments

We have been successful in securing a number of sources of funding to maintain our *Warm in Wealden* campaign this year. Along with colleagues in Citizens Advice across East Sussex and RetrofitWorks we have also been successful in our bid to run the Warm Home Check Service for East Sussex County Council this year - a service which aims to ensure the county's most vulnerable residents can stay warm and well.

We do not yet know what the Government's announcement on funding for Citizens Advice to provide support to universal credit claimants will mean in practice, but will keep you informed.
