Agenda Item 6.1

TO NOTE THE CURRENT POSITION WITH THE COUNCIL'S BUILDINGS

1.0 Summary

1.1 This report sets out the current position with the Council's buildings.

2.0 The Buildings

2.1 <u>The Civic Centre, Victoria Pavilion, The Cemetery Chapels, The Signal Box, West</u> Park and Foresters Hall, Osborn Hall.

The Civic Centre

Works are now complete in the first floor of the Civic Centre to decorate the corridors, albeit a couple of smaller meeting rooms. Work has commenced in the ground floor corridor and will continue over the summer months.

Quotes are being obtained to decorate the foyer area (including high level areas) in line with the colour scheme to be used in the restaurant.

A contractor has now been arranged for fitting a new carpet to the two main staircases in the Civic Centre and ground floor and first floor corridors. We plan to commence this work shortly.

Fresh white lines have been painted to the edge of the steps leading to the Civic Centre to help guide people walking up or down.

A full steam clean has been undertaken of the kitchen equipment for Luxfords Restaurant.

A minor repair has been undertaken to the water heater in the upstairs kitchen.

Victoria Pavilion

New patio doors have been fitted to the first floor of the Pavilion but contractors have been asked to return to review a couple of snagging issues.

The Signal Box

A planning application and associated drawings for the replacement of the staircase is currently with the local planning authority for consideration. The ground floor storage area has been painted out with fire retardant paint as part of the year three maintenance programme.

Foresters Hall

Decoration has now been carried out to the main hall. Works will now need to continue to the entrance area and rear area of the hall, subject to available funding. Quotes are being obtained for this.

Osborn Hall/Hempstead Lane car park

Quotations have been received to complete repairs and lay new tarmac in the car park. Additional drainage has been included within the proposed schedule of works to help prevent water ingress to the lower areas around Osbourne Hall. Quotes will be reviewed before instructing works to commence.

2.2 2A Vernon Road,

No works are outstanding.

3.0 Annual maintenance programme

- 3.1 As per the project update provided in agenda item 4.3, works are continuing to deliver the year 3 maintenance programme.
- 3.2 A meeting has taken place with the Town Council's surveyors to review the maintenance programme for year 4 (2018/19 this financial year) and agree the programme of works in line with the budget made available.

TO REVIEW REQUEST FROM RIDGEWOOD VILLAGE HALL COMMITTEE TO PLACE A NOTICEBOARD AT THE FRONT ENTRANCE OF RIDGEWOOD VILLAGE HALL

1.0 Summary

- 1.1 A request has been received from the Chair of Ridgewood Village Hall Committee. They would like to erect a notice board to the exterior of the building, in the vicinity of the entrance to the Village Hall, to advertise their events and committee information.
- The only display board that they have at present, is within the building itself and can only be seen by those using the hall. In light of the plans to extend the Village Hall and improve the existing facilities, the Village Hall Committee will be carrying out a number of fundraising events. A noticeboard to the front area of the building would support them with the communication of these events.

2.0 Noticeboard options

- 2.1 There are three options that the Village Hall Committee could consider:
 - (a) A display board attached the front wall of the Village Hall which could be placed adjacent to the Town Council noticeboard. A noticeboard of this type could cost in the region of £100.

(b) Or a freestanding noticeboard:

These can range in style from a 'posterboard' model which can cost in the region of £300-400:

(c) Or a more substantial noticeboard similar to those used by Parish and Town Councils. These can start in price at £800.

3.0 Funding the provision of a noticeboard

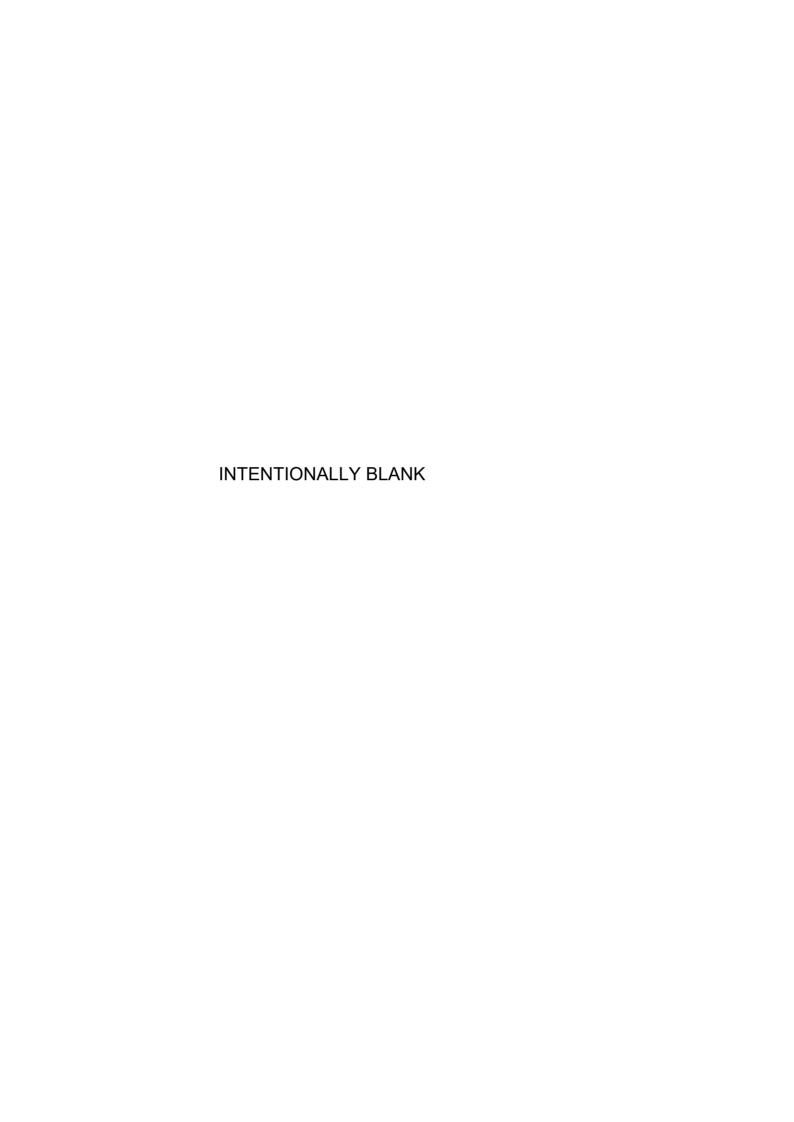

- 3.1 At present, the Village Hall Committee do not have funds set aside for the provision of a noticeboard.
- 3.2 The Town Clerk has advised that local community groups such as the Uckfield & District Lions Club or Rotary Club of Uckfield may be able to assist.

- 3.3 The Clerk has also advised that the request could be taken to Committee whilst seeking the permission of the Town Council to place a noticeboard in the area to the front of the Town Hall.
- 3.4 May members be reminded that Uckfield Town Council own the Village Hall, the car park and adjacent Ridgewood Recreation Ground, but the Village Hall is leased to the Village Hall Committee on a full repairing lease, and they plan to make substantial improvements to the building to improve the facilities available.

4.0 Recommendations

- 4.1 Members are asked to consider:
 - (i) whether they wish to give permission for a noticeboard to be placed on the front of the hall or a standing notice board in the land adjacent to the front of the village hall;
 - (ii) whether the Town Council wishes to contribute towards the purchase of a new noticeboard or recommend potential funding sources.

REPRESENTATIVES ON OUTSIDE BODIES: REPORT OF THE CITIZEN'S ADVICE BUREAU

Quarterly Performance Report to Uckfield Town Council - 2018/19 Quarter 1

Aim of the service

To provide the advice people need for the problems they face and to improve the policies and practices that affect people's lives. WCA will provide a free, confidential, independent and impartial service, valuing diversity, promoting equality and challenging discrimination. The service is open to all, informing people of their rights and responsibilities.

Key Performance Indicators

1. Opening Hours

The Uckfield office has provided advice: face to face, over the phone and by email during the following opening times – skype has not been used. The bureau has only been closed for staff meetings and training.

Day	Face to face	Telephone	Email
Monday	9.30 to 3	9.30 to 3	9.30 to 3
Tuesday	Specialist appts only	Available via other bureaux	
Wednesday	9.30 to 3	9.30 to 3	9.30 to 3
Thursday	9.30 to 3	9.30 to 3	9.30 to 3
Friday	9.30 to 3	9.30 to 3	9.30 to 3

In addition, we offer specialist money advice appointments at the bureau between 9am and 5pm. The financial support of High Weald Lewes Havens Clinical Commissioning Group (HWLH CCG) has now ended and money advice is now funded from within our core service – this has required us to make savings elsewhere.

Our ADVICELINE is currently operated in partnership with other East Sussex bureaux. This means that telephone advice is now available 5 days a week until 4pm every day within the county. Callers ringing outside these times have access to a central Citizens Advice team until 5pm and also to recorded information. Improving the percentage of calls answered first time is a priority for us.

2. Premises

Our Uckfield office was closed for 1 week to allow for tests to be done on some unusual dust found across the building, but especially in our central admin. and money advice offices. Tests undertaken on the air quality of the building have confirmed there is no risk to health. We are grateful to Town Clerk Holly Goring for her prompt action and support throughout this process. This problem, together with essential repairs planned for the roof and the rental cost of the building is leading us to look at whether now is the time to relocate to reduce costs.

3. Reporting

The Uckfield office helped **449 clients** in the first quarter of 18/19, around 6% more than the number of people helped in the same period in 2017/18.

2 in 5 of our clients had a disability/long term health condition and 1 in 4 were 60 or over.

Clients raised **1,389 issues** - giving a ratio of around **3 issues per client**. A full summary of the issues handled is attached at annex A.

Of the issues raised the main five areas of advice were as follows: welfare benefits 32%; debt 17%; employment 11%, relationships & family 8%, housing 7%.

The Uckfield team secured £196,797 in improved financial outcomes in this quarter - this could be anything from an increase in benefits, compensation, a refund, debt write-off, successful appeal or challenge. The team gained £116,170 in additional income (e.g. benefits/tax credits) for clients over this period and, with the support of our specialist money adviser, helped clients write off nearly £80k in debts. The team also helped 12 people who were homeless or threatened with homelessness.

Our annual customer satisfaction survey (Jan-March 18) showed **99%** of clients as being happy or very happy with the service they received. There have been no complaints about the service this quarter.

The team has continued to be proactive in research & campaigning, submitting 16 evidence forms to national Citizens Advice.

Current areas being targeted for action concern:

- The operation of the welfare benefits system, particularly for those making claims for benefits aimed at supporting those with long term health conditions. We are currently working on a report which exposes the additional difficulties experienced by clients living in rural communities e.g. getting to assessment and appeal venues. The report will be published in the Autumn.
- The implementation of Universal Credit, particularly having outreach in place in all the town
 hubs of the District. We are intending to offer a DWP outreach service from the bureau
 when Universal Credit goes live at the Lewes Job Centre in September.
- Clarion Housing with clients facing difficulties contacting the organisation and making payments, leading to them facing threats of possession and eviction.
- Scams we are working with a range of partners across the county as part of Trading Standards Friends against Scams initiative.

We are fortunate to have around 30 volunteers at Uckfield.

These volunteers have been supported by:

- full time equivalent advice session supervision
- a day a week admin support
- a share of full time equivalent trainer

The hours available for training and cover supervision will reduce from 1 August and access to the help of specialist benefits staff at Hastings Advice & Representation Centre has now ended following the termination of CCG funding.

Wealden Citizens Advice is also supported by 9 volunteer trustees.

4. Other service developments

We are in the process of revising our service offer to reflect our reduced income levels this year. This is in the region of £100k per year on top of the support generously provided by Wealden District Council and the town councils of the District. This year the CAB are unlikely to hit that target e.g. they have lost over £40k in health and energy sector funding.

As a result the CAB has made three redundancies and will be decreasing the hours of four members of staff to reduce costs, to enable them to operate at an acceptable level of risk.

To enable managers to ensure an offer of safe and high quality services is provided, we will need to create the capacity for them to absorb the functions previously covered by others: this will require us to organise how we offer our service differently.

Our objectives, in proposing the following approach, are to:

- maximise the accessibility of our service to Wealden residents given reduced resources
- maintain our capacity to offer in-depth face to face advice to the most vulnerable residents in the District
- create more flexibility, so we can better organise our work to fit the skills & availability of our people
- create the equivalent of a day per week manager capacity when they are not trying to manage all advice channels simultaneously (Managers have to fit in appraisals, case checking and management tasks in around supervising advice sessions.)

5. What won't change

We will:

- remain open to all
- have a service available to clients in Wealden five days a week
- maintain the number of full advice appointments we offer now
- continue to operate outreach services in Heathfield, Polegate and Willingdon
- remain committed to the target of helping at least 4,000 people a year as set out in our service level agreement with Wealden District Council.

Consultation is underway on our proposals, including with local councils. Our aim in making the changes is to maximise access to help for clients as much as we can. The changes will include the implementation of a text and ring back service following a successful bid to the Sussex Community Foundation.

REPORTS FROM COUNCIL REPRESENTATIVES ON OUTSIDE ORGANISATIONS REPORT OF THE VOLUNTEER CENTRE

The Centre continues to be busy, especially the IPad training, with continued interest from new volunteers and partner groups. The demand for the support of hearing aids remains strong even though there are now alternative sources of batteries in the Town.

The Centre has been successful, this year, in obtaining one-off grant funding for specific activity to develop and deliver this year's key objective. This is to "Promote helping others/volunteering amongst the youth in our community."

- A grant from the Awards for All (Big Lottery Fund) of £10K to fund a sessional worker to
 promote the ideas of helping and supporting others in the PRIMARY schools. Holly Cross C of
 E School has already agreed to take part.
- A grant from the Henry Smith Foundation of £7.5K to fund a sessional worker to promote the
 principles and activities of helping/volunteering in the SECONDARY schools, UCTC and the
 Beacon School in Crowborough. The Training on the IPad is being given by a senior pupil from
 UCTC.
- Additionally, a grant from the Sussex County Foundation of £4.5K has been obtained to fund
 a sessional worker to promote the outreach of the Volunteer Centre to the wider community.
 This will done by supporting and developing the marketing activity of the centre, building on the
 success of last year's 'Celebrate' initiatives and event.

The plan is to hold another major event, 'Celebrating Youth' building on all the proposed work and success it achieves. Part of the project work is to create resources, including a DVD, which can be re-used to continue this work into the future.
