		25.09.18	The Knee Rail fencing works at Foresters Hall commenced but encountered some problems on site with the initial excavations. It has become apparent that the positions where the vertical posts where going to be located cannot be excavated as there are below ground mains services in these locations. The fencing was due to be located in the shingle margin between the carpark and the building, see attached. For and on behalf of Auditing Solutions Ltd

This report has been prepared for the sole use of Uckfield Town Council. To the fullest extent permitted by law, no responsibility or liability is accepted by Auditing Solutions Ltd to any third party who purports to use or rely on, for any reason whatsoever, this report, its content or conclusions.

Background and Scope

The Accounts and Audit Arrangements introduced from 1st April 2001 require all Town and Parish Councils to implement an independent internal audit examination of their Accounts and accounting processes annually. The Council complied with the requirements in terms of independence from the Council decision making process from the outset of the revised Regulations, with Auditing Solutions Ltd subsequently appointed to undertake the internal audit function on behalf of the Council for the residue of 2009-10 and beyond.

This report sets out those areas examined during the course of our recent first interim visit to the Council, which took place on 15th & 16th November 2018 and will be subject to further update following the update and final visits on dates yet to booked in 2019.

Internal Audit Approach

In commencing our review for 2018-19, we have again had regard to the materiality of transactions and their susceptibility to potential mis-recording or mis-representation in the year-end Statement of Accounts.

Additionally, we have, as previously recorded, updated the rolling strategic programme of work for a further three years (2016-17 to 2018-19) that aims to ensure that those areas assessed as potentially higher risk are examined more frequently in the period.

However, with the previously recorded transition from the "Full Code" audit to the "limited assurance" regime we are now required to report upon an extended range of the Council's accounting and other processes annually. Consequently, we have and will continue at future visits to undertake work in each area covered by the Internal Audit Certificate of the year's Annual Return, which now forms the annual Statutory Accounts for the Council.

Overall Conclusion

We are pleased to record that no significant concerns or issues have been identified during the course of testing undertaken to date: consequently, it has not been considered necessary to append an Action Plan of any formal recommendations.

Detailed Report

Maintenance of Accounting Records & Bank Reconciliations

The Council continues to use bespoke Sage accounting software to maintain its accounting records, with annual support currently provided by third party contract accountants (Acuity, who were previously known as Armida prior to a change of ownership). The Council remains a full Sage software user, with Current and Interest Bearing Deposit accounts operated at NatWest Bank, supplemented by occasional Term deposit holdings at Lloyds Bank.

Our objective here is to ensure that the accounting records are being maintained accurately and currently and that no anomalous entries appear in cashbooks or financial ledgers. We have consequently: -

- > Verified that an appropriate cost centre and nominal ledger structure remains in place;
- ➤ Checked and agreed the opening account balances in the Sage software for 2018-19 to the closing Financial Statements for 2017-18 to ensure that all the detailed balances have been properly rolled forward with no matters arising this year;
- ➤ Checked and agreed two sample months' receipts and payments transactions (April & September 2018) from the Current account cashbook to relevant bank statements, including the daily "sweeps" to and from the Interest Bearing Reserve account for the same two months; and
- Finally in this area we have checked and agreed the software based bank reconciliations as at 30th April & 30th September 2018 to ensure that there are no long-standing, uncleared items or other another anomalous entries arising.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Review of Corporate Governance

Our objective is to ensure that the Council has a robust series of corporate governance documentation in place; that Council and Committee meetings are conducted in accordance with the adopted Standing Orders and that, as far as we are able to ascertain, no actions of a potentially unlawful nature have been or are being considered for implementation. We have, to date: -

Noted that, as in previous municipal years, the Council's extant corporate documentation such as Standing Orders, Financial Regulations, Members' Code of Conduct are subject to on-going review and were again considered fit for purpose following some relatively minor revisions (most latterly in July 2018) to ensure consistency with the recently issued updates to the NALC model documentation;

- ➤ Commenced our review of the Council's minutes, examining those for the Full Council and its Standing Committee meetings (with the exception of Planning) held to end October 2018 with a view to identifying whether or not any potential issues exist that may have an adverse effect, through litigation or other causes, on the Council's future financial stability no such issues were identified; and
- Noted previously that the Council met all necessary criteria to adopt the General Power of Competence and that this was re-affirmed in May 2015 following the election of the new Council in accord with extant legislation (no consideration was required in 2017-18 or 2018-19).

We are again pleased to acknowledge the existence of a plethora of relevant, formally adopted Policies and Procedures, together with more detailed written operating procedures in line with best practice, also noting that these continue to be reviewed and updated periodically.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Review of Expenditure

Our aim here is to ensure that: -

- Council resources are released in accordance with the Council's approved procedures and budgets;
- Payments are supported by appropriate documentation, either in the form of an original trade invoice or other appropriate form of document confirming the payment as due and/or an acknowledgement of receipt, where no other form of invoice is available;
- > That an official order is raised for all relevant goods and / or services: we acknowledge that this will not be necessary for all items of expenditure, which are regularly the subject of contracts (e.g. grounds maintenance) or legal requirements (e.g. non domestic rates);
- > All discounts due on goods and services supplied are identified and appropriate action taken to secure the discount;
- > The correct expense codes have been applied to invoices when processed; and
- > VAT has been separately identified (where applicable) and coded to the control account for periodic recovery.

We are pleased to note that sound control continues over the authorisation of, and payments for, supplier invoices and other similar expenditure (still predominantly paid by cheque);

We have commenced our testing of payments at this interim visit, examining a sample of all those payments individually in excess of £4,000 together with a more random sample of every 40th cashbook transaction (irrespective of value) to 31st October 2018. This sample comprised approximately 45 payments totalling just over £238,000 and representing 49% of all non-pay related costs in the period to that date.

In relation to VAT, the RFO continues to submit quarterly electronic submissions in a timely manner and we have verified that the September 2018 return had been completed in accord with the underlying Sage control account balances.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Assessment and Management of Risk

Our aim here is to ensure that the Council has put in place appropriate arrangements to identify all potential areas of risk of both a financial and health and safety nature, whilst also ensuring that appropriate arrangements exist to monitor and manage any such risks identified in order to minimise the opportunity for their coming to fruition.

- ➤ We have previously noted that the Summary Risk Management Policy is presented to Full Council annually and are pleased to note this remains the case currently (most latterly in April 2018) and that this "underpins" several other policies in place to ensure significant risks are controlled and monitored;
- > We again note that sound control registers are in place, on a weekly basis, to record the ground staffs' health and safety inspections of the Council's various play areas and associated facilities; and
- We have examined the Council's two insurance policy schedules: that provided by QBE (via brokers JELF) in relation to its properties expiring in October 2019 and that provided by Zurich Municipal in relation to its remaining legal requirements expiring in June 2019 to ensure that appropriate cover is in place. Public Liability cover has been increased to £15 million whilst Employer's Liability and Fidelity Guarantee cover remain unchanged at £10 million and £1 million respectively. Additionally, appropriate Loss of Revenue is in place in relation to the Civic Centre (at £400,000) and across other sites (at £34,000).

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Budgetary Control & Reserves

Our objective here is to ensure that the Council has a robust procedure in place for identifying and approving its future budgetary requirements and level of precept to be drawn down from the District Council; also, that an effective reporting and monitoring process is in place. We also aim to ensure that the Council retains appropriate funds in general and earmarked reserves to finance its ongoing spending plans, whilst retaining appropriate sums to cover any unplanned expenditure.

This first interim visit was too early for any formal deliberations of the Council's Budget and Reserves for 2019-20 to have been concluded, although we note from recent minutes and the current workload of the RFO that due consideration is underway, and we note that members continue to be provided with periodic management reports during 2018-19 to date but have not yet considered any detail therein.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation at present and we shall extend testing in this area to include the Precept setting and inyear budget out-turns at the next update visit.

Review of Income

The Council receives income from a variety of sources including hire fees for use of the Civic Centre, the Luxford restaurant facility, other property lettings, cemetery activities, bank deposits and sports pitches.

Our objective is to ensure that robust systems are in place to ensure that all income due to the Council is identified and invoiced (where applicable) in a timely manner and that effective procedures are in place to ensure that appropriate recovery is effected within a reasonable time span. Consequently, we have:-

- Noted from Financial Regulations that members are required to review the scales of fees and charges for all its activities annually and have obtained detail of those pertaining to the Civic Centre lettings, Pavilion & Sports pitch hires, Cemetery activities and allotment rentals for the current financial year (which were duly approved in the previous municipal year);
- > Noted that officers and members continue to regularly manage, report on and review long-standing and potential bad debts, the most recent of which did not identify any significant issues to warrant further action at present; and
- > We have examined the Cemetery income streams at the first interim stage by selecting all those burial register entries for the period April to September 2018 and ensuring that each was duly supported by funeral directors' application forms and death certificates, that the fees charged for each activity were in accord with the published scales, that relevant Sales Ledger invoices had been raised in Sage and that there were no undue delays with settlements of same.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation currently and we shall undertake further testing in this area in accord with the rolling programme of work at future visits for the year.

Petty Cash Accounts and Corporate Debit / Credit Cards

The transition to the "limited assurance" regime requires us to specifically express a view on the operation of petty cash schemes within the Internal Audit Certificate at Section 4 of the Annual Return.

> Two "office" based petty cash accounts are in operation at the Civic Centre in addition to the general operational floats held for the till functions. These are maintained on a day-to-day basis for the separate use of Administration and Luxford expenses utilising Sage cashbooks for transaction processing and accounts are

"topped up" periodically as and when required (usually in round sum amounts of £150) and are not operated on a formal "imprest" basis;

- We have checked and agreed a sample month's payments (October 2018) on both accounts to ensure that each was supported by an appropriate invoice or till receipt, that VAT (where applicable) was being separately identified for periodic recovery and that the goods or services were appropriate for the Council's activities. We also note the continuing formal control of the "cash-in-tin" balances and re-imbursements, which are subject to independent managerial review; and
- ➤ We note that the Council is in possession of a NatWest One Card, with a maximum credit limit of £5,000 and settlement in full by automatic monthly direct debit, and we have checked and agreed the transactions for the month ending 15th September 2018 to supporting documentation, also ensuring the goods and services were appropriate for the Council's activities.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Review of Salaries

In examining the Council's payroll function, we aim to confirm that extant legislation is being appropriately observed as regards adherence to the Employee Rights Act 1998 and the requirements of HM Revenue and Customs (HMRC) legislation as regards the deduction and payment over of income tax and NI contributions, together with meeting the requirements of the local government pension scheme as further revised from 1st April 2018 in relation to the staff salary contribution bandings. We have examined the payroll procedures in place and physical payments made to staff to date in 2018-19 by reference to the September 2018 documentation, the underlying detail for which continues to be produced "in house" by the RFO utilising bespoke Sage payroll software. Consequently:

- > Gross pay rates have been checked to ensure that the NJC pay award for 2018-19 had been duly implemented;
- > PAYE Tax Codes and National Insurance Tables have been checked to ensure that appropriate allowances are being applied for the year following the annual budgetary increases in personal allowances with effect from April 2018;
- ➤ Local Government Pension Scheme deduction rates have been checked to ensure they are in accord with the revisions to the bases of employee contributions, most latterly with effect from 1st April 2018;
- > Variable hours and expenses have been verified to individuals' timesheets and claim forms;
- We have checked and agreed the net pay computations on pay slips to the payroll summaries and resultant electronic NatWest Bankline instructions and the settlement of deductions for HMRC and LGPS; and
- > We note that electronic monthly returns are made in a timely and accurate manner in accord with current HMRC legislation (aka Real Time Initiative).

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Investments and Loans

Our objectives here are to ensure that the Council is investing "surplus funds", be they held temporarily or on a longer term basis, in appropriate banking and investment institutions, that an appropriate investment policy is in place, that the Council is obtaining the best rate of return on any such investments made, that interest earned is brought to account correctly and appropriately in the accounting records and that any loan repayments due to or payable by the Council are transacted in accordance with the relevant loan agreements.

- ➤ Currently we note that the Council has one periodic Term deposit with Lloyds Bank (for a twelve month period ending in July 2019) and we have checked and agreed this "investment" to the bank's third party advice note; and
- ➤ The Council has one existing PWLB liability: we have checked and agreed the first instalment repayment for 2018-19 (in August 2018) to their third party direct debit settlement advice notes and Sage cashbooks as part of the higher value supplier testing noted earlier in this report.

Conclusions

There are no matters arising in this area to warrant formal comment or recommendation.

Meeting of the General Purposes Committee

Monday 7th January 2019

Agenda Item 6.1

TO NOTE THE CURRENT POSITION WITH THE COUNCIL'S BUILDINGS

1.0 Summary

1.1 This report sets out the current position with the Council's buildings.

2.0 The Buildings

2.1 <u>The Civic Centre, Victoria Pavilion, The Cemetery Chapels, The Signal Box, West Park and Foresters Hall, Osborn Hall.</u>

The Civic Centre

- The five yearly electrical installation condition report is to be completed;
- Heat curtains have been installed above the main entrance doors and the doors have been realigned to assist reducing draughts into the building/Luxfords Restaurant;
- Three new signs have been installed in the foyer area;
- Water treatment works have been carried out following risk assessment;
- The fire extinguisher service was completed in December 2018;
- Minor gutter cleaning has taken place however the majority of work is waiting for the new 2019/20 budget in April 2019, which includes works to undertake a full clean of the roof to save further costs;
- The communal corridors and stairwells have been booked in February 2019 for carpet replacement;
- Luxfords bar will have a new floor fitted and minor decoration undertaken in January 2019.

Victoria Pavilion

- The five yearly electrical installation condition report is to be completed.
- External steel faced doors have been fitted however temporarily due to contractor errors. We await the return of the contractors;
- Water treatment works are to be carried out following the recent risk assessment;
- A radiator has been replaced in the pavilion due to a leak;
- A copy of the leaseholder's fire risk assessment has been requested.

The Signal Box

- Works have been completed to the basement pillar to provide additional support to the flooring;
- The fencing is due to be replaced in January 2019 to improve the fencing alongside the Signal Box, adjacent to railway land;
- A copy of the tenant's fire risk assessment has been requested.

Foresters Hall

- Minor repairs have been completed to the inside porch and lighting;
- A fire extinguisher service was completed in December 2018.

Snatts Road, Chapel

An Asbestos survey has been carried out. No evidence found.

Osborn Hall/Hempstead Lane car park

- Quotations have been received to complete repairs and lay new tarmac in the car park. Quotes will be reviewed before instructing works to commence;
- Two windows were damaged previously and a further window has been vandalised in December 2018. One window was replaced in December, which was considered as the worst of the three. Replacement windows are being held off until the Guides Association have received the mesh screens for all windows. The costs of replacing the windows has been split 50/50 as agreed.

The Hub/CAB/Source

- Upgrades to the alarm panel have been carried out;
- Minor window repairs have been carried out (sealant) due to water ingress;
- · Lagging works have been carried out to the boiler;
- A copy of the tenant's fire risk assessment has been requested.

West Park

- Remedial electrical works have been completed from the electrical installation condition report;
- Repairs to the roof are awaiting the new budget in April 2019;
- Wealden DC have been approached to see if the recycling bins can be replaced, due to their untidy nature. We await their decision.

2.2 2A Vernon Road.

No works are outstanding.

3.0 Annual maintenance programme

- 3.1 As per the project update provided in agenda item 4.3, works are continuing to deliver the year 3 maintenance programme, with work still outstanding at Victoria Pavilion.
- 3.2 We have also approached our surveyors to start the tender process for year 4 of our annual maintenance programme and identify the actual costs involved in carrying out works by obtaining detailed quotations from contractors.

4.0 Building Audits

- 4.1 Ongoing facility audits are being carried out frequently, with issues being addressed by staff or contractors.
- 4.2 All risk assessments have been reviewed by the Facilities Manager.
- 4.3 The Facilities Manager has arranged online training for staff to refresh.
- 4.4 The Facilities Manager has requested Fire risk assessments from all tenants.
- 4.5 First aid kits in all buildings are being checked and updated accordingly.
- 4.6 The Facilities Manager has created an Asbestos management plan following previous inspections, noting areas of concern for any relevant buildings.

4.7 The Facilities Manager has arranged for a Health and Safety audit to be carried out by the British Safety Council in February 2019 to enable the Town Council to review what's working well and where improvements are required.

5.0 Recommendations

Agenda Item 8.1

TO RECEIVE A REPORT ON THE ADMINISTRATION OF THE COUNCIL

1.0 Summary

1.1 This report details activities and statistics in relation to staffing and other matters.

2.0 Sickness:

2.1

	As at 19.12.18 (27 staff)	As at 15.01.18 (27 staff)
Actual days taken as short-term Doctors' certificate	77 days	70 days
Actual days taken as self-certificated sick leave	33 days	31.5 days
Average number of days self-certificated sick leave per person	1.22 days	1.17 days
Actual days taken as long term sick leave	109 days	241 days
Average number of days sickness per person	8.11 days	12.7 days
National average of sick days taken in the public sector per person (*sickness absence in the labour market – ONS 2016)	4.30 days	4.3 days

N.B The most recent figures are for the current period. We had two members of staff on long term sick leave over the summer/autumn months. One has now left as their contract was seasonal and the second is now on a phased return to work.

3.0 Risk Assessments and Training

- 3.1 An online training portal has been set up by the Facilities Manager. All members of staff have been provided with login details and the various ways in which they carry out the training in work time. Staff are expected to have undertaken the necessary refresher training for their area by March 2019.
- 3.2 The Health and Safety Policy has been refreshed and will be presented to the meeting of General Purposes Committee on 7th January 2019, and risk assessments reviewed.

Contact Officer:

3.4. Timesheets:

The Member will choose random timesheets from the file.

They will check:

- a) That the time sheets add up correctly.
- b) That the pay detail on the payslip for that person corresponds with the time sheet.

4.0. BANK RECONCILIATION AND VERIFICATION TO NOMINAL CODE

- 4.1. The purpose of this exercise is to monitor movement between accounts and account balances.
- 4.2. The Member will carry out the following checks:
 - a) The bank statements correspond with the bank reconciliation.
 - b) The bank statements and reconciliations are signed by the Responsible Financial Officer.
 - c) Any discrepancies (bank errors) are fully detailed.
 - d) The nominal codes are correct in SAGE.

5.0. PETTY CASH

- 5.1. The Town Council hold two petty cash floats, one for the Town Council and one for Luxfords restaurant. These are 'topped up' by cash withdrawn from the Clerk's bank account. The only two officers that can sign these cheques are the Town Clerk and the Responsible Financial Officer.
- 5.2 The Member will carry out the following:
 - a) Check that the previous month's reconciliation is correct, signed and dated.
 - b) Check random vouchers against this reconciliation.
 - c) Count the money, at the time of their visit, in both petty cash tins to ensure the balance matches the SAGE balance.
 - d) Check that current vouchers have been entered into the SAGE system.
 - e) Check that vouchers are authorised by a member of staff and details entered in the petty cash books.
 - d) Check that, where applicable, reimbursements of funds are signed for in the petty cash books.

6.0. IRREGULARITIES

In cases of suspected serious breaches of the Council's Financial Regulations, Standing Orders and Policies, the matter will be referred to the Urgent Consultation Panel immediately.

7.0. REVIEW

This Policy will be reviewed annually to ensure it fully covers the Council's Governance requirements.

REPRESENTATIVES ON OUTSIDE BODIES: REPORT OF THE CITIZEN'S ADVICE BUREAU (CAB)

I attended the AGM of Wealden Citizens Advice on 20th November 2018 at the Community Centre in Crowborough. This was well attended with many of the volunteers from the three bureau being there. In the open forum, many of these expressed how more difficult their role had become over the past few years. In the past Clients usually had one or two issues but now most have complex needs with typically four or five issues.

Roll out of Universal Credit was also discussed and it was announced that the Government had given funds to Citizens Advice to help them with supporting clients.

Also, as Wealden District does not have a Job Centre, it has been agreed that the Department for Work and Pensions (DWP) will operate outreach centres in Crowborough, Hailsham and Uckfield.

Uckfield CAB is working with the Foodbank on a fuel voucher scheme to accompany food vouchers and also hope that Uckfield Lions may be able to provide support. There was also the possibility of developing a hub type approach in Uckfield when the DWP outreach starts.

There is a great deal going on with funding issues being a constant concern.

Agenda Item 9.1 (ii)

REPRESENTATIVES ON OUTSIDE BODIES: REPORT OF THE RIDGEWOOD VILLAGE HALL COMMITTEE

It has been a very busy year for the Ridgewood Village Hall Committee

The first part of the year was taken up with preparing the plans for the proposed extension of the hall, and submitting them to Wealden District Council. The plans were approved so work is now ongoing to get them implemented. A Project Manager has been appointed to oversee all works from surveys to the actual build itself.

A lot of work was also carried out to achieve the Hallmark Level One award for Village Halls and the scheme seeks to:

- Reward and establish good practice;
- Encourage improvement in established customs and procedures;
- Gain recognition for obtaining good standards in the management of your hall

This award should help towards applications for grant funding towards the building works. The estimated cost for these is in the region of £300,000 at present.

A number of very successful events have taken place this year - the Summer Fair, the Family Firework Display, Live Band Night with Hog Roast and Christmas Fair, with many more events planned for next year.

The hall booking system has now gone live on-line and most of the booking slots are taken on a weekly basis with only a few slots left available.

There is also work going on to bring the constitution of the hall up to date. It was hoped to have this completed for this year's AGM but unfortunately the amount of time it was going to take to get it right meant that it was not possible during 2018. Work on this continues.

The committee have looked at the set up of the committee for the hall and this has now been split into three groups - Trustees, Users sub-group and Planning/Building Works Committee. There is also a fundraising committee which is an amalgamation of everyone to help organise and run events.

Overall, it has been a very busy year with a lot of hard work being carried out behind the scenes to move the use of the hall forward.

Councillor J. Beesley

Agenda Item 9.1 (vii)

REPRESENTATIVES ON OUTSIDE BODIES: WEALDEN WORKS

On the 4th December 2018, I attended the Annual Awards Event at Heathfield Youth Centre for Wealden Works to celebrate local people's achievements.

There were about 150 people there including the Chairman and Leader of Wealden District Council together with Roger Daltrey. Jayne Torvill was also hoping to attend but involved in filming for the new series of Dancing on Ice.

The evening started by showing a film produced by an Uckfield student which gave a real insight into how young people had overcome personal issues and barriers to achieve their goals. As well as all gaining accredited qualifications, many had already moved into employment, apprenticeships, further education or voluntary work.

Tom Carroll from Mayfield spoke of how proud he was to be the only Apprentice Wheelwright in the country.

There were many other positive stories including Max Goodwin from Uckfield who is now working as an electrical apprentice. The other very good thing with Wealden Works is that they stay involved with the student and their family for up to 12 months after gaining a position to support and encourage them.

It was a very uplifting event showing the clear and positive benefits to youngsters in our area.

Councillor P. Sparks
