No apologies were received, although Councillor H. Firth lost her internet connection, and therefore missed the majority of the meeting.

4.0 MINUTES

- 4.1 Minutes of the meetings of the General Purposes Committees held on the 13th July 2020
- **<u>GP12.10.20</u>** It was **RESOLVED** that the minutes of the meeting of the General Purposes Committee on 13th July 2020 be taken as read, confirmed as a correct record and signed by the Chairman.

4.2 Action list

Members reviewed and noted the updates provided within the action list. They agree to remove the following from the action list as this work had now been completed or superseded by another resolution:

GP39.02.19 – Recommendations from Finance Sub-Committee (Grants) GP41.03.20 – Recommendations from Finance Sub-Committee (Grant) GP46.04.20 – Review community grant funding allocations (Part i) GP06.06.20 – Current position with Council's buildings (annual maintenance) GP10.07.20 – Finance Summary (reinvestment)

4.3 Project list

Members noted the report and the removal of Project No. 65 (*Rebuild Valuation Exercise of the Town Council's buildings*) as this had now been completed for insurance purposes.

5.0 FINANCIAL MATTERS

5.1 <u>To note bills paid</u> Members noted the bills paid.

5.2 <u>To note the income and expenditure reports for 2020/21 (end August 2020)</u>

The Chairman acknowledged the devastating impact that Covid-19 had had on local businesses in addition to the income streams of the Town Council. Thankfully some of the loss in income had been partly offset by furlough income received thanks to the work of the Assistant Town Clerk, plus the recent receipt of a £10k grant from Wealden District Council in their discretionary grant scheme.

It was recognised that staff needed thanking for their dedication and hard work, and although sales figures were down, purchases were also down. All members of the General Purposes Committee agreed and wished to record their thanks to all staff and for everything they were doing.

It was also noted that the Finance Sub-Committee had reviewed the figures in detail and would continue to do so over the winter months.

5.3. Bad Debts

Members noted the current bad debts recorded and reasons for this.

5.4 <u>To receive the minutes of the Finance Sub-Committee held on 28th September</u> 2020

The Town Clerk advised that there was an error in the minutes on page 4, under agenda item 8.0 - Community Grant Payments. The original amount awarded to the Uckfield Festival for 2020/21 was £3,000 and not £1,500.

Subject to this amendment being highlighted at the next Finance Sub-Committee, members agreed to note and receive the minutes.

5.5 <u>To consider the recommendations of the Finance Sub-Committee held on 28th</u> <u>September 2020</u>

Members noted the amendment that had been mentioned by the Town Clerk above and the recent update regarding the funds awarded to the Uckfield Festival during 2020/21 from their grant allocation. Members were unable to make a decision at the meeting and requested that this item be deferred to the next Full Council meeting on 26th October 2020.

5.6 To consider the draft fees and charges for 2021/22

Members reviewed a report which explained that the Town Council was required to review its fees and charges for the following financial year to help inform the budget setting process. Office staff had highlighted a couple of issues including fees and charges for Sunday's in the Civic Centre and questioned whether the off peak/peak rates could be simplified in any way.

During the impact of Covid-19 on hirers, members were uncertain of what decision to take as although the cost to open the Civic Centre increased each year and additional PPE/cleaning costs had recently affected expenditure, members and office staff did not wish to make too many changes.

Members requested that the item be deferred to the next meeting of the General Purposes Committee on 9th November 2020.

5.7 <u>To consider new initiatives for the draft committee budget(s) for 2021/22</u> Members were advised that it was now time to start considering potential priorities and initiatives for 2021/22, as the draft budget papers and annual plan for 2021/22 would be presented to Full Council on 7th December, and would need to be agreed and adopted by Full Council on 18th January 2021. The pandemic had made forward planning particularly difficult as the next 6-12 months were completely unknown in terms of any external factors and their impact on income and expenditure across all areas of the business.

Councillor P. Sparks enquired as to whether the potential funds suggested to place in earmarked reserves for future by-elections or four yearly elections, included the cost of polling cards. The Town Clerk highlighted that this was a good point and would check.

Members subsequently noted the report and the Town Clerk advised that she would bring back this agenda item to the next meeting in case members had had any further considerations.

6.0 BUILDINGS

6.1 <u>To note the current position with the Council's buildings</u>

Members reviewed the regular update on works and repairs within the Town Council's buildings. One member referenced the move of the Citizen's Advice Bureau from the Hub and wondered what the next steps were. The Estates & Facilities Manager advised that there were no plans as the tenants had not yet moved out. So the first task would be to inspect the property after their departure.

Members subsequently noted the report.

6.2 <u>To review the Town Council's Annual Maintenance Programme midway through</u> <u>the year and prioritise works for the remainder of 2020/21</u> Members were provided with a report which set out the works that had originally been scheduled for completion in 2020/21 across the Town Council's buildings, the works halted as a result of Covid-19 and potential projects that could be delivered instead of those originally planned. The Estates & Facilities Manager talked through the proposal for the doors at Victoria Pavilion, which were intended to be more vandal proof. The Grounds staff would unlock on their arrival in the morning and close on their departure in the evening.

One member was concerned should the roof works be delayed at Osborn Hall, but it was noted that technically as Osborn Hall had a full repairing lease, it was the tenants' responsibility to carry out these works.

GP13.10.20 It was RESOLVED to:

(i) note the report;

(ii) agree to carry out the works to the Victoria toilet doors, based on the revised estimate for the works;

(iii) agree to move works to the Foresters Hall blinds, Weald Hall trussing, roof at Osborn Hall and Biomass Hopper storage to the 2021/22 Building Maintenance Programme;

(iv) agree to utilise the 2020/21 Building Maintenance Programme Fund to cover the cost of the works at Foresters Hall and to explore partition works to the Green Room in the Civic Centre (ensuring that any partition is adequately soundproofed).

7.0 POLICY

7.1 None.

8.0 ADMINISTRATION

- 8.1 <u>To receive a report on Health and Safety within the Council</u> Members reviewed the report circulated and noted the contents.
- 8.2 <u>To receive Members' audit reports</u> Members noted the reports from April, June and July 2020. The Town Clerk advised that the member audits were now up to date.

- **<u>GP14.10.20</u>** It was **RESOLVED** that pursuant to Section 1 (2) of the Public Bodies (Admission to Meetings) Act 1960, because of the confidential nature of the business to be transacted it was advisable in the public interest that the public be temporarily excluded and they were instructed to withdraw.
 - 12.1 <u>To review the lease agreements for the storage garages at Victoria Pavilion with</u> <u>Anderida Cricket Club and Uckfield Performance Ensemble</u> Members discussed the storage garages and requested that the Town Clerk proceed with the renewal process based on their discussions.
 - 12.2 <u>To consider an update on Luxfords Restaurant</u> Members complemented staff on an extremely comprehensive and well laid out report.
 - 12.3 Town Clerk to continue initial business planning discussions for 2021/22, and encourage Councillors to bring forward ideas to forthcoming committee and council meetings.

The works have now been completed and tested. The only element still to complete is the method of payment, to attach to this software before going live this summer.
		03.11.20	The financial element of the software still needs arranging. As we would prefer to use Worldpay or SAGE pay for this, rather than the ones offered with the Tickera package, this will cost an additional amount for the time of web developers. Office staff are currently working through a detailed quotation for this additional work.

Agenda Item No. 5.4

TO CONSIDER THE DEFERRED ITEM - DRAFT FEES AND CHARGES FOR 2021/22

1.0 Summary

- 1.1 Each year as part of the budget setting process, the Town Council is required to review its fees and charges. This includes the fees and charges for room hire at the Civic Centre and within Foresters Hall, and the Victoria and West Park Pavilions.
- 1.2 In the past couple of years, changes have been made to the way in which room hire charges are presented to customers, with a standard rate for the smaller rooms within the Civic Centre, and peak and off-peak rates being added for the hire of the larger rooms after 6pm on Thursday, Friday, Saturday and Sunday evenings. This was intended to cover the costs of staffing at peak times, and the annual increase in utilities and rates.
- 1.3 Although this has worked well, further consideration should be given to bookings anytime over the weekend. At present we have a couple of smaller bookings on a Saturday daytime (groups which use our smaller rooms) and these are during restaurant opening hours, so at no additional cost to the Town Council in terms of staffing. However we do receive some bookings on Sunday afternoons throughout the year, particularly in the run up to Christmas, and the income received for these bookings doesn't quite cover staff costs if we consider the Luxfords Restaurant hourly charge, let alone the cost of opening the building.
- 1.4 A suggestion has been made by officers that an off-peak rate is applied during the daytimes of Monday to Friday 7am 6pm. A peak rate is applied from 6.00pm on weekday evenings and anytime Saturday/Sunday. Consideration should be given to whether this is applied across all rooms.
- 1.5 We previously removed delegate rates, as they were underused, setting a minimum charge on teas and coffees with room hire, and revising the charges for hiring the Urn to reflect the Civic Centre costs in clearing up the cups for larger groups.
- 1.6 No changes were made to equipment hire in 2020/21.
- 1.7 For 2020/21, the buildings of Foresters Hall, Victoria Pavilion and West Park Pavilion received a 2% increase on the room hire charges per hour:

<u>GP25.11.19</u> Members **RESOLVED** to set a 2% increase on the current fees and charges for the hire of rooms within the Civic Centre, Foresters Hall and sports pavilions; rounding up or down to the nearest 5 or 10p.

2.0 Current room hire rates

- 2.1 A copy of the current rates for the Civic Centre and Foresters Hall are attached at appendix A.
- 2.2 The current room hire rates for Victoria and West Park Pavilions are as follows:

	Current hire rate for the pavilion per hour (2020/21 per hour +VAT)
Non- commercial	£6.55
Commercial	£9.20

3.0 Proposed way forward

3.1 As members were quite rightly uncertain of what to do in the current circumstances of the Covid-19 pandemic, the Town Clerk is suggesting a way forward which would have minimal impact on existing hirers but reflect the need to marginally increase fees and charges to cover year on year increases in utility and staff costs, as well as the new requirement for additional PPE and added cleaning costs. See attached.

4.0 Recommendations

4.1 Members are asked to consider the current rates and provide their considerations for setting the rates for 2021/22.

- 6.2 As a result of the guidance issued by the UK Government & Public Health England with regards to Covid-19, strict cleaning regimes have been put in place in the Town Council's buildings, with particular attention given to touchpoints, the use of the Civic Centre and Forester Hall toilets, and separation of staff and customers within the Civic Centre when it comes to communal areas, the toilets and kitchen.
- 6.3 Full risk assessments were carried out before these buildings were re-opened and have been regularly updated in line with changes in the guidance. These risk assessments have been shared with hirers. Hirers have also been asked to follow the procedures and guidance set out by the Town Council for the use of the Town Council's facilities and each booking is assessed on a case by case basis, to ensure the training/activity can be carried out in a safe manner. Every hirer has been required to complete a risk assessment and this is reviewed by office staff before the booking is accepted.
- 6.4 As part of the Covid-19 inspections, a representative from the Environmental Health department carried out a spot check of Luxfords restaurant in October 2020 to confirm all Covid secure procedures and risk assessments were in place. There were no remedial works required.

REPRESENTATIVES ON OUTSIDE BODIES: REPORT OF THE CITIZEN'S ADVICE BUREAU (CAB)

A virtual Trustees meeting was held on 19th October 2020.

Staff continue to work at home, which, like all organisations can be a challenge for some. The Chief Executive is actively looking for ways to ensure staff are effectively supported.

The service managers are working hard to ensure that clients are still given the same quality service when staff and volunteers are working from home.

The CAB has been given funding for two new projects: a financial resilience advisor (temporary) and a debt training role.

The service is currently working very effectively. Although general advice calls are down on normal levels, the Help to Claim service is very busy with calls from new and current Universal Credit claimants. Neighbour issues are also arising more frequently (50% increase in calls in comparison to pre-Covid).

The next meeting will be the AGM, scheduled for 18th November 2020.

Councillors P. Sparks and A. Smith

Monday 9th November 2020

Agenda Item 9.1(iii)

REPRESENTATIVES ON OUTSIDE BODIES: REPORT OF THE RIDGEWOOD VILLAGE HALL COMMITTEE

Ridgewood Village Hall had a very successful AGM on 28th October, showed a video of the refurbishment from start to finish and presented the annual accounts 30/6/2019 – 30/6/2020.

Their up to date cash statement shows that there are still outstanding monies owing from the refurb including the £11k borrowed from UTC. A 14 person committee was elected - Karen Bedwell remains Chair as Covid and the refurb have meant that her planned 'retirement' from the post has been put on hold until certain aspects of the hall management plan have been completed. Two new committee members joined and three stepped down, including Michael Lamb who has been treasurer at RVH for 20 years. The new treasurer is Jane Atherton who is a qualified accountant who works for SG Gainsford accountancy firm in New Town and runs the 'Flexibooks 'booking arm of the business.

The refurb has been very successful and come in within budget. There is still essential work that needs to be carried out with regard to drainage, guttering and the soak aways. Some discussion will need to be had with UTC as these fall on council land and are causing some damage to the foundation around the hall. For example, the collapsed entrance slope was caused by the water pouring underneath the foundations. In heavy rain the flooding also caused some damage to items in the basement.

There are concerns about financially managing the hall over the next six months with reduced income from hall hire due to the government covid regulations and concerns over further closure of public buildings. A grant application has been made to WDC for their grant recovery fund.

Plans for 20-21 at RVH include the transferring of the current charity status into a CIO to remove the onus of financial liability for the trustees which puts many people off getting involved in the committee and is a worry for those that do. The committee will look to complete Hallmark 2 +3 and bring all the paperwork post refurb to completion.

The committee are also looking to expand the type of events that the hall is used for and are now working with a celebrant to look at holding weddings and naming ceremonies and other celebratory events at the hall and combine this with the hire of the Ridgewood Recreation Ground which would benefit UTC.

Councillor J. Edwards
