# 2.0 STATEMENTS FROM MEMBERS OF THE PUBLIC ON MATTERS ON THE AGENDA AT THE CHAIRMAN'S DISCRETION

**GP13.08.21** It was **RESOLVED** to suspend Standing Orders to enable members of the public to speak.

Mr Fletcher, Chair of the Uckfield Grasshoppers wished to speak in relation to agenda item 6.2, regarding the future of West Park Pavilion. He explained that Grasshoppers was a grassroots football club that had been providing football for the community for over 40 years. They had been recognised by the FA in recent years for their continued work, development and for raising standards in football coaching and best practice.

The Town Council had allowed them to consider West Park as their home since construction and they would now like to formally make this happen by taking on the lease. They had checked and created a budget which had been submitted to officers.

Going forward, they were keen to create a more social atmosphere for their players by means of a football hub. At a time when mental health and personal wellbeing were under intense scrutiny he reminded members that everyone should be mindful of the effect of this on their younger players to ensure a sanctuary was provided for them to switch off, relax and play sport.

The Uckfield Grasshoppers had approximately 350 members, making them the biggest provider of sport to young people in the area, not just football. These numbers were continuing to grow with the rapid expansion of Uckfield, yet without any further green space being created, pitch and venue locations were becoming stretched so it was important to protect current facilities, now.

They had 120 girls playing football at present and they predicted this would be closer to 150 this season. All of their mini soccer and the majority of their girls' football was played at West Park. It was a great venue and fulfilled the statutory League requirements that changing and toilet facilities must be available. It was also a central location, and in walking distance from the town centre, reducing un-necessary car journeys and pollution.

The pavilion was well used on match days, but under used during the rest of the week, which they wanted to change. It was a community sports venue and needed to be used and protected as such. They had been in contact with a few local groups along with Sussex County FA to gauge interest in using the building during the week for fitness classes, meetings, their own manager's meetings, CPD events and also FA Courses and disciplinary hearings.

They would intend to develop the kitchen area, to create an informal seating area inside and freshen up the interior area so that it became inviting. They were also looking at installing CCTV to protect the venue.

A landlord override switch could be installed to cut all the power barring the essentials to reduce the utilities costs. Broadband could be installed to ensure the building became more user friendly.

West Park was currently their HQ for the annual sixes tournament; attracting teams throughout the county. This was still one of the biggest football tournaments in Sussex and their main fundraising event throughout the season; providing much needed funds for the club. They were also developing a girls tournament as the demand was there.

Mr Fletcher explained that not having West Park would have a detrimental effect on the Uckfield Grasshoppers. They wanted to protect playing spaces and venues which would allow them to continue to provide opportunities for children to play sport.

Mr Probert, Treasurer for the Uckfield Model Railway Club also wished to speak in relation to agenda item 6.2.

The Uckfield Model Railway Club were coming up to their 50<sup>th</sup> Anniversary next year. This was an important milestone for the club, but they did have concerns for their future. They were currently looking for a new clubhouse. The premises they were currently renting may cease to be available in the near future, and commercial rents were well above their means, financially.

The question to Uckfield Town Council was therefore, if they were unable to share facilities within the pavilion for example, what could the Town Council do to help find or source accommodation/land within the town.

**GP14.08.21** Members of the public were thanked for their statements and members subsequently **RESOLVED** to reinstate Standing Orders.

#### 3.0 MINUTES

Minutes of the meeting of the Finance Sub-Committee held on the 16th August 2021.

#### **FS.08.09.21** It was **RESOLV**

It was **RESOLVED** that the minutes of the Finance Sub-Committee of the 16<sup>th</sup> August 2021 be taken as read, confirmed as a correct record and signed by the Chair.

# 4.0 TO CONTINUE REVIEW OF THE COMMUNITY GRANT PROGRAMME FOR 2022

The Chair explained the purpose of the evening's Finance Sub-Committee – being a continuation of review of the Community Grant's programme for 2022, to include Service Level Agreements

for Wealden Citizen's Advice and the Uckfield Volunteer Centre and a discussion then followed regarding the financial statements that had been received from both parties.

# To consider the Service Level Agreement, funding allocation and application process for Wealden Citizen's Advice

On reviewing the financial report and accounts from Wealden Citizen's Advice, the Chair, Councillor Cox pointed out that Wealden Citizen's Advice generated 25% of their income. Members had previously discussed fundraising and were unsure how much fundraising was carried out by Wealden Citizen's Advice and Uckfield Volunteer Centre, so this was of interest to committee members.

Councillor Ward commented that the accounts for Wealden Citizen's Advice covered the whole of Wealden and were not specific to Uckfield. If an average was taken of the bigger councils that contributed (Crowborough, Hailsham and Uckfield), it would mean that Uckfield's contribution would be slightly lower, suggesting that the town council reduced their amount to reflect this.

Members questioned whether the accounts were provided with their annual application through the community grants programme. The Town Clerk confirmed that they were included with their application and before the pandemic the Mayor and Town Clerk were invited to the AGM each year, which was generally held in the autumn/winter.

Councillor Macve pointed out that a comparison could not be made of the three bigger councils with the contribution amount but suggested per capita and noted that the financial statements received were two years out of date. Although noting the Town Clerk's comments above, the last financial year's accounts would not yet be finalised.

Councillor Edwards mentioned that consideration needed to be given to the rates of rent in each area as well as well and in reality, whether the Town Council would ask another Town Council to increase their contribution. Councillor Ward confirmed that they wouldn't expect another Town Council to increase, it was an observation.

The Assistant Town Clerk reiterated the amount that was included in the Budget and Actual figures whereby the Town Council set an annual budget of £19,500 and in Wealden Citizen's Advice application they had applied for £18,900 respectively. A discussion followed that Wealden Citizen's Advice were claiming for what they needed and did not claim for the higher amount, which they should take credit for.

Councillor Sparks pointed that although there weren't many paid staff, they were expected to cover the whole of Wealden, therefore expecting the accounts to be separated out for each of the three towns would not be reasonable. They would be aware of what was budgeted in the Town Council's accounts, adding that Uckfield Town Council needed to consider what value Wealden Citizen's Advice brings to Uckfield, believing that the amount contributed currently did reflect this.

Councillor Macve pointed out further that the amount of money each council had available for Wealden Citizen's Advice may also relate to the social demographic within each town and the fact they hadn't increased the amount to the Town Council's budgeted figure was in their credit.

Councillor Macve suggested on waiting to see what they requested in their application, that it might be worth speaking to them first to ascertain what level of support they would be looking at.

The Chair raised the points from the last meeting on looking at the Service Level Agreement for Wealden Citizen's Advice and to discuss further.

The Town Clerk reminded members that one of the key points that needed to be considered in this meeting rather than figures which would be picked up in the budget setting process, was the need to review the existing service level agreement and process through which Wealden Citizens Advice receiving their grant funding.

Members had been provided with some information from Crowborough Town Council. They had an SLA with Wealden Citizen's Advice in place for three years; the amount of grant funding was agreed by Full Council within their budget setting process. As a service level agreement was already in place then an application was not required each year through the community grant programme but regular updates were received on their delivery/achievements.

Members discussed the potential terms of a service level agreement and length of this agreement. Members recognised that elections were due to take place in two years' time and also current Covid-19 restrictions.

Councillor Ward asked what happened to the amount of money budgeted when it was not all claimed. The Town Clerk explained that unless members agreed to carry forward the unspent revenue in General Purposes Committee each year, the money would cover underspend elsewhere and return into general reserves.

Councillor Edwards suggested setting a three-year Service Level Agreement, increasing to four years to take into account the change of council members every four years.

Councillor Macve suggested that the amount within the Service Level Agreement could be linked to RPI or CPI to cover an increase each year, explaining that the rate of increase could impact quite considerably at renewal if not increased with inflation. A discussion then followed on what would be the best way of dealing with an increase to ensure fairness for both parties.

The Town Clerk mentioned that the length of the Wealden District Council's Service Level Agreement with Wealden Citizen's Advice had changed in recent years, with it previously being set at three years but in recent years it had reduced to two years and last year a one-year Service Level Agreement was set, likely to be due to changing circumstances and finances as a result of Covid. The benefits of this option were discussed further.

#### FS.09.09.21

With four votes in favour and one abstaining, members **RESOLVED** to recommend to General Purposes Committee:

- (i) that the grant funding allocated for Wealden Citizen's Advice should be agreed by Full Council as part of the annual budget setting process, and;
- (ii) using the current amount of the grant given as a baseline figure, set up a Service Level Agreement for one year followed by a two year Service Level Agreement and so on to carry over to the next council, and advise Wealden Citizen's Advice that they do not need to apply through the annual Community Grants Programme.

#### Service Level Agreement for the Uckfield Volunteer Centre

Councillor Ward repeated a previous point by saying that the Town Council should be looking at the activities undertaken by the Volunteer Centre. Uckfield Volunteer Centre currently carry out an audit of 8/10 organisations that have received funding through the community grants programme. Councillor Ward added that at least 75% of the grants awarded should be checked to ensure the funding had been spent in line with their application. If the organisations had not spent the funds correctly it should be handed back.

Councillor Macve asked, in regard to their financial statements, that they didn't show any paid staff but understood they did have one. It was explained by Councillor Sparks that the paid member of staff was new addition so would not have shown on the previous year's accounts.

A discussion then followed as to whether they should be checking 100% of the the Town Council's grants awarded and the number of

applications for the grants scheme generally remained the same so it was felt that it would be viable.

# **FS.10.09.21** With three votes in favour, and one vote against, it was **RESOLVED** to recommend to General Purposes Committee:

(i) to undertake a comprehensive review of the Service Level Agreement on the same terms as Wealden Citizen's Advice, and within this service level agreement, require Uckfield Volunteer Centre to carry out an evaluation of 100% of the UTC community grants awarded each year.

#### 5.0 <u>Matters deemed urgent by the Chairman</u>

The Chair, Councillor Cox highlighted that the Uckfield Bonfire & Carnival Society had not put on their full event for 2021.

Councillor Edwards suggested that it needed to be noted and considered on their next grant application.

A discussion then followed as both the Bonfire & Carnival Society and Uckfield Festival Association had been handled equally by Uckfield Town Council in the past and grants awarded accordingly. However this year they had managed events quite differently. It was agreed for them to be contacted prior to the second instalment being paid in October 2021.

The meeting closed at 19.27pm.

Agenda Item No. 5.6

#### TO CONSIDER THE DRAFT FEES AND CHARGES FOR ROOM HIRE IN 2022/23

#### 1.0 Summary

- 1.1 Each year as part of the budget setting process, the Town Council is required to review its fees and charges. This includes the fees and charges for room hire at the Civic Centre and within Foresters Hall, and the Victoria and West Park Pavilions.
- 1.2 In the past couple of years, changes have been made to the way in which room hire charges are presented to customers, with a standard rate for the smaller rooms within the Civic Centre, and peak and off-peak rates being added for the hire of the larger rooms after 6pm on Thursday, Friday, Saturday and all day on Sunday. This was intended to cover the costs of staffing at peak times, and the annual increase in utilities and rates.
- 1.3 The changes for 2021/22 seem to have worked well. We also previously removed delegate rates, as they were underused, setting a minimum charge on teas and coffees with room hire, and revising the charges for hiring the Urn to reflect the Civic Centre costs in clearing up the cups for larger groups.
- 1.4 For 2021/22, the buildings of Foresters Hall, Victoria Pavilion and West Park Pavilion members agreed the following:

#### **GP16.11.20** Members discussed the questions posed and **RESOLVED**:

- (i) with all in favour, voted to agree to an increase of 1.5% for room hire across all rooms at the Civic Centre and Foresters Hall in 2021/22;
- (ii) with all in favour, to add a peak rate to the Council Chamber;
- (iii) with six in favour and one abstaining (Cllr Firth), to agree to increase the hire of equipment by 1.5%, and;
- (iv) with four in favour, and one abstaining, to agree to add a commercial rate to Luxfords Restaurant hire charge.
- 1.5 Please note that members will not be required to agree an hourly hire rate for West Park Pavilion from 1 April 2022, as it was agreed on 13 September 2021 for this building to be leased out on a full repairing lease to a sports club, so this matter would rest with the tenant.

#### 2.0 Current room hire rates

2.1 A copy of the current rates for the Civic Centre and Foresters Hall are attached at appendix A.

2.2 The current room hire rate for Victoria Pavilion is as follows:

#### SPORTS FACILITIES FOR HIRE

Agenda Item 9.1(vii)

#### REPRESENTATIVES ON OUTSIDE BODIES: WEALDEN DISTRICT ASSOCIAL OF LOCAL COUNCILS MEETING 8 SEPTEMBER 2021

Subscriptions will be kept at the same level as last year.

It was decided that all meetings would be held by Zoom until the AGM which would be held face to face. They would then look again at starting the face to face meetings.

The report from Wealden DC was as follows:

- Waste Management worked well throughout the lockdowns. 99.96% of bins were collected at the correct time.
- Wealden DC had the highest recycling rates in East Sussex at 51%;
- Wealden DC is part of the national Afghan Resettlement Scheme and has a family of six moving into a four-bedroom house on 10 September. It was also reported that the Government had said that no Council properties could be used for this scheme.
- The next round of Local Plan Parish Cluster meetings would take place soon. The updated Issues, Options and Recommendations Document would be due out in October/November 2021:
- The tender was currently out to provide eight vehicle charging points on Wealden DC premises. Planning permission had been granted for two solar electric forecourts, one at Isenhurst garage, Heathfield and off Copwood roundabout in Uckfield;
- A new sports hub, with two or three 3G pitches, outdoor bowls green and club house was planned for North Hailsham. I did state that there are other parts of Wealden that would benefit from this sort of thing and other Councils agreed;
- Hailsham Aspire would now be on a smaller scale than originally planned. There
  would be a new leisure centre, medical centre, some housing and a multi storey car
  park.

It was asked if there would be a Parish Conference this year and a date for next year if not. Cllr Standley said he would look into this and report back.

Councillor D. Ward
