4.0 MINUTES

4.1 <u>Minutes of the meeting of the General Purposes Committee held on the 4</u> October 2021

GP22.11.21 It was RESOLVED that the minutes of the meeting of the General Purposes Committee on 4 October 2021 be taken as read, confirmed as a correct record and signed by the Chairman.

4.2 Action list

Members reviewed and noted the updates provided within the action list. They agreed to remove the sub text and actions from within action GP16.08.21 as this work had now been completed. Members subsequently noted the report.

4.3 Project list

Members noted the contents of the report.

5.0 FINANCIAL MATTERS

- 5.1 <u>To note bills paid</u>
 Members noted the bills paid.
- 5.2 To note the income and expenditure reports for 2021/22 (end of Sept 2021)

 Members reviewed the income and expenditure reports for General Purposes

 Committee and Luxford Restaurant and noted the current position.

5.3. Bad Debts

Members were presented with a list of bad debtors. Councillor C. Macve noted that it was encouraging to see the list reducing and thanked staff for continuing to pursue these debts. Members subsequently noted the report.

5.4 To start considering new initiatives for the draft budget 2022/23

Members were provided with a short list from officers on potential items for inclusion in the budget for 2022/23 in terms of new initiatives and longer-term savings.

Councillor C. Macve queried the proposed works around extra drainage for Hempstead Recreation Ground car park. The Estates & Facilities Manager advised that further investigations were required to look at the surface water run off at both Hempstead Recreation Ground car park and Ridgewood Village Hall car park.

Councillor P. Sparks stated that green initiatives remained important for the council, and suggested looking at insulation within the Town Council's buildings. He recognised that to go to a very high level of green insulation would be expensive, but even improvements to existing insulation would help with keeping energy costs down.

Councillor H. Firth added that the replacement of gas would be costly. The Town Clerk added that the Estates & Facilities Manager had replaced the heating systems with an air con system in Foresters Hall, and the Signal Box would be next.

The Estates & Facilities Manager advised that there was still a wet system in the back of Foresters Hall linked to the toilets. As per his presentation to members on the outcome of the carbon audit in September, if the Town Council put away £8-9k each year, this would assist with reducing the Town Council's carbon emissions. It was suggested this be put down as a long-term saving. Members then noted the report.

6.0 BUILDINGS

- 6.1 To note the current position with the Council's buildings Members noted the report provided.
- 6.2 <u>To note the increase in utility costs for the Town Council's buildings and open spaces in 2022/23 onwards</u>

Members were presented with a report which advised that the new two-year tariff agreed for electricity and gas for all Town Council buildings from February 2022 had increased substantially. The new tariffs would create an 87.96% increase in gas costs per annum, and 59.12% in electric. This would have a big impact on the Town Council's expenditure and would need to be reflected in the budget

setting process for 2022/23.

Members acknowledged that these figures were worrying. The Estates & Facilities Manager added that the current prices had been set three years ago, as part of the existing contract, so it was likely we would have seen some increase, but no one envisaged it would be this high. Councillor A. Smith asked if the feed-in tariff income was likely to increase as a result also. Officers were asked to investigate before members noted the report.

6.3 To consider an alternative proposal – to lease our Civic Centre rooms as office space With income levels still not meeting pre-Covid times, the Estates & Facilities Manager had started to explore options for increasing income for the Civic Centre. Contact had been made with a local commercial estate agent to ascertain what rental income could be charged for leasing out the Martlets or Oakleaf rooms on a short-term basis (three to six months), compared to the hourly arrangements we had at present.

Councillor C. Macve thought it was a brilliant idea if current usage levels were down. It was useful to look at alternatives. The only query he had with the proposal was if there were any planning constraints on the original planning approval for the Civic Centre i.e. restrictions on the use of the building and hours of use.

Councillor P. Sparks questioned whether these rooms would then be available to other organisations during the weekday evenings and weekends. Several of these rooms were currently hired out during those times. The Estates & Facilities Manager confirmed that the leasing out of these rooms would be from 7am to 7pm guaranteed, but members did feel it would not be very practical from a data protection point of view to then hire out the rooms at the weekend if these rooms were used as business offices and held various information and data.

Councillor H. Firth advised that if these were shorter term lease arrangements it might be helpful for the Town Council to run a trial period of sorts to see how effective it would be before, taking a final decision. The previous initiative to add a divider to the Green Room was raised once more, but it was felt that the Green Room had a number of regular bookings in its current layout, and was bringing in good income.

Councillor G. Johnson thought this would be particularly attractive to new start-up businesses – the benefit of a short term arrangement, with perhaps a two week notice period. This would offer flexibility and security but it would be paramount to ensure the room is kept secure to protect access to the company's data. Councillor G. Johnson was supportive of the proposal.

GP23.11.21 Members RESOLVED to consider leasing out both the Martlets and Oakleaf rooms on a trial period for short term commercial let (3-6 months), during 2022/23, and to review how this has worked after a 12-month period.

7.0 POLICY

None.

8.0 ADMINISTRATION

8.1 <u>To receive a report on Health and Safety within the Council</u> Members reviewed and noted the report circulated.

8.2 To receive Members' audit reports

Members noted the reports from July and August 2021.

12.0 **CONFIDENTIAL BUSINESS**

GP24.11.21

It was **RESOLVED** that pursuant to Section 1 (2) of the Public Bodies (Admission to Meetings) Act 1960, because of the confidential nature of the business to be transacted it was advisable in the public interest that the public be temporarily excluded and they were instructed to withdraw.

12.1 To consider an update on Luxfords Restaurant

Members noted the positive feedback received in relation to the Take That Experience and noted the report.

12.2 To consider the renewal of the lease agreement for the Signal Box.

Members reviewed the information provided within the report.

It was **RESOLVED** for the Town Clerk to approach the Town Council's solicitors GP25.11.21 to seek advice on obtaining an extension to the current lease agreement on a shorter term.

	(minus £1,365.00) = £135.00 remaining	15.04.20	Local web developers were commissioned to set up the online event ticket software and embed into the Civic Centre Website. The works have now been completed and tested. The only element still to complete is the method of payment, to attach to this software before going live this summer.
FC93.01.19		03.11.20	The financial element of the software still needs arranging. As we would prefer to use Worldpay or SAGE pay for this, rather than the ones offered with the Tickera package, this will cost an additional amount for the time of web developers. Office staff are currently working through a detailed quotation for this additional work.
		17.08.21	Following a delay during the third national covid lockdown, Uckfield Town Council have since commissioned local web developers to complete the final element of the online events package, but utilising the appropriate software and aligning it with Worldpay. This will be funded out of the Town Council's professional fees budget. Work is due to begin on 23 August 2021.

UCKFIELD TOWN COUNCIL PROJECT MONITORING GENERAL PURPOSES COMMITTEE

	01.11.21	The additional work has been delayed due to issues with access to Worldpay. The Town Clerk will try and rectify in the to enable web developers to proceed.

Agenda Item No. 5.3

BAD DEBTS UPDATE

1.0 Summary

1.1 The report details the current position regarding bad debts.

2.0 Details

- 2.1 The following old debts are showing on our finance system. There is currently a programme of work within the Town Council office to chase a number of debtors for invoices outstanding from 2021.
- 2.2 A couple of comments received however suggest that some of the customers hadn't received their invoices in August. This could have been when the Town Council had power outages and the internet connection went down. Staff are however following up with all outstanding debts and ensuring payment is made. Those which are of reasonable amount include:
 - Fuller & Scotts;
 - ESCC CRD;
 - Kent Community Health;
 - R&R Taxis (payment plan in place);
 - NCT;
 - Sussex Community NHS

3.0 Recommendation

Minutes taken by Holly Goring

1.0 DECLARATIONS OF INTERESTS

Members and officers were reminded to make any declarations of personal and/or prejudicial interests that they may have in relation to items on this agenda. No interests were forthcoming.

2.0 APOLOGIES FOR ABSENCE

None received.

3.0 MINUTES

Minutes of the meeting of the Finance Sub-Committee held on the 9 September 2021.

FS.11.01.22

It was **RESOLVED** that the minutes of the Finance Sub-Committee of the 9 September 2021 be taken as read, confirmed as a correct record and signed by the Chair.

4.0 TO REVIEW THE RISK MANAGEMENT POLICY No. 29

Members were presented with a copy of the Risk Management Policy with a number of updates to insurance and contracts for the new financial year. Members made enquiries with regards to the insurance arrangements in terms of CCTV cover and business interruption insurance. The Town Clerk confirmed that the CCTV was covered under the buildings insurance as the cameras themselves were owned by the Town Council despite them being managed and operated under the Sussex Police i-witness

partnership. The Town Clerk also confirmed that as part of the detailed review of the building insurance arrangements each year, the Town Council was required to complete a detailed survey on the hospitality elements of the business, which included reviewing the previous year's turnover and stock holdings etc. The Town Clerk did advise that she had raised her concerns with the Insurance Broker about the survey as the past year during the pandemic would not reflect normal business levels and a caveat should be recorded to reflect this for 2021/22.

The Assistant Town Clerk & RFO wished to make reference within the Risk Management Policy to the new procedures on PCI compliance for Worldpay (credit card machines). Reviews are undertaken on each of the areas for which a machine is used (Office for the Civic Centre/Town Council and Luxfords Restaurant) which ensures no personal financial data would be stored whilst processing transactions.

FS.12.01.22

Subject to the inclusion of the PCI compliance element under banking arrangements, members **RESOLVED** to recommend the revised Risk Management Policy No. 29 for approval and adoption by General Purposes Committee.

5.0 TO REVIEW THE INVESTMENT POLICY No. 49

Members discussed the contents of the Town Council's Investment Policy and having reviewed a number of other policies from Town Councils across the country felt that the policy was sound, based on the current banking arrangements of Uckfield Town Council.

It was questioned whether any non-financial investments should be included such as the residential property, which sat adjacent to a Town Council owned building and rented out privately.

Members referenced how other Town Councils had invested in a number of longer term funds, but it was felt that as Uckfield Town Council did not have reserves on the scale of the other Town Councils that it was prudent to ensure funds were more readily available.

Members also discussed whether it would be useful to review the public works loans outstanding for repayment. One member suggested investigating if any overpayments could be made to reduce the term of the outstanding loans, to which all members agreed this would be sensible to find out.

The Assistant Town Clerk & RFO would carry out a review of the outstanding Public Works Loans for Uckfield Town Council at the end

of February 2022 and approach the organisation to find out if overpayments could be made.

The Assistant Town Clerk & RFO suggested it might be useful to add more detail within the policy to reflect the various banks/funds utilised by Uckfield Town Council and referenced appendix A within Shrewsbury Town Council's Annual Investment Strategy as a good way of presenting the breakdown of the Town Council's funds. It was suggested that a footnote be included to remind readers of the policy, that the Town Council is required to maintain and hold funds within its reserves to cover three months of business, should any incident occur that created substantial business interruption. Details would also need to reflect the reserves which had already been earmarked for specific use or projects.

The Chair added that longer term the Town Council may wish to consider exploring green investments and investments or banking arrangements with more ethical consideration.

FS.13.01.22

Subject to the addition of the detailed banking arrangements, members **RESOLVED** to recommend that revised Investment Policy be presented to General Purposes Committee for approval and adoption.

6.0 TO REVIEW THE TOWN COUNCIL'S FINANCIAL POSITION AT THE END OF QUARTER THREE OF 2021/22 (DECEMBER 2021)

Members were pleasantly surprised with the levels of income and expenditure at the end of December 2021, across all areas of the business.

A member noted the continued increase in interments at the cemetery and felt the Town Council needed to keep a watchful eye on this in case it impacted on future provision. The Town Clerk agreed stating that at present it was thought that the Town Council would have capacity for in the region of seven years but members of Environment & Leisure Committee were aware that future options would need to start being explored sooner rather than later.

Members noted the contents of the reports, and suggested a further review be carried out early to mid-April 2022.

7.0 MATTERS DEEMED URGENT BY THE CHAIRMAN

The Assistant Town Clerk & RFO made reference to the wonderful email received from the Beekeepers Association who had emailed both staff and councillors to thank the Town Council for their 2021/22 community grant and to demonstrate how the funding had been used.

The meeting closed at 7.09pm.

Agenda Item 6.2

TO CONSIDER ENQUIRY FROM BRIGHTER UCKFIELD REGARDING STORAGE

1.0 Summary

- 1.1 A Member of Brighter Uckfield has asked if they would be able to install a metal shed in the area behind the Uckfield Community Fridge. They are looking at a shed similar in size to those put up on an allotment. They have been informed by the Town Clerk that they would have to seek members' approval for this first before any decision is made.
- 1.2 The Chairman of Brighter Uckfield also met with the manager of the Uckfield Community Fridge on 22 December to understand their feelings to what they were proposing and to agree, if possible, a way forward.
- 1.3 Members should be reminded that the placement of the Uckfield Community Fridge on the Hub site was agreed on a temporary basis, in the medium term (potentially some years) so any decision taken should factor this in.

2.0 Brighter Uckfield - proposal for metal shed

2.1 At the following link you will find the catalogue information and photograph for the shed that Brighter Uckfield have in mind:

Garden Steel Shed with Gabled Roof Top

This is available in three sizes and we have been informed that the 10ft by 8ft version might be more suitable for Brighter Uckfield, to allow for expansion of the amount of equipment. Also, there may be a need to leave a little space at the perimeter to accommodate the base.

- 2.2 The proposal is to place the shed on the site of the Hub (owned by Uckfield Town Council) behind the Uckfield Community Fridge. The ideal position would be on the hard standing to the right of, and at the rear of, the Uckfield Community Fridge as this would make installation so much easier and involve only a little groundwork. Anywhere else on the site would require more groundwork to be carried out.
- 2.3 Using the 10ft by 8ft version, the 8ft side would butt up to the Uckfield Community Fridge container and run from the stop that is there to capture the 'serving flap' when it is opened, towards the rear of the container, where a small amount of groundwork would be needed. The 10ft side would run from the top corner of the shed in the direction of the Civic Centre and would again require a small amount of groundwork. The shed doors would open on the side facing towards Luxford Field.
- 2.4 Brighter Uckfield has already been working with the Uckfield Community Fridge and they have acknowledged this proposal. The area that surrounds the Uckfield Community Fridge has been tidied by Brighter Uckfield volunteers who also mowed the grassy areas and trimmed tree growth at the entrance to the site. Brighter Uckfield has planted out the floral planters and has undertaken to maintain them and the site as a whole.

2.5 The shed would be used as secure storage for Brighter Uckfield equipment such as mower, street cleaner, strimmer, two leaf blowers, together with litter-picking equipment.

3.0. Recommendation

1.0 INTRODUCTION

Uckfield Town Council is aware of its responsibility to manage risk to ensure it achieves its objectives to deliver a high quality of public services and to ensure it provides good governance.

The Council has various policies in place to ensure significant risks are controlled, reviewed and monitored. This document forms the Town Council's Risk Management Strategy, it provides an overview of risk management and how it will be monitored.

This policy will be reviewed annually by the Finance Sub-committee.

The tables below detail the controls in place for the main service areas at risk

Agenda Item 8.1

TO RECEIVE A REPORT ON HEALTH AND SAFETY WITHIN THE COUNCIL

1.0 Summary

1.1 This report provides an update for members on the various elements of health and safety that need to be considered within an organisation.

2.0 Health and wellbeing of staff

- 2.1 The table overleaf provides an update on sickness levels over the past four months and the cumulative picture for the whole year to date, in comparison with the same period last year.
- 2.2 The Town Council has been impacted by sickness in the past three to four months, with unforeseen long term sickness with two members of staff, as well as covid and other viruses impacting on staffing levels during the winter period.
- 2.3 Since October 2021, eight members of staff have caught Covid (with a total of nine since the start of the pandemic) but in most cases it has been caught whilst they have been on annual leave or over the weekend/bank holidays which has thankfully reduced the risk to other staff, councillors and customers within the Civic Centre.
- 2.4 Staff have been working to rotas in the Town Council office for a number of months now, to reduce the risk should covid impact on service provision and staff have been working in bubbles within the Civic Centre to reduce the risk of transmission between staffing groups between the restaurant, caretakers and office staff.
- 2.5 The types of symptoms have varied and some staff have been able to work from home whilst isolating once they have felt a bit better.
- 2.6 This has meant that the usual table presented to members has been altered to reflect the reality of the varying issues affecting staffing over the course of the past four months. Situations have varied with some staff isolating but not off sick as such for the full 10-day period, some had to stay home to look after a dependent or relative who was unwell or the staff member was advised to stay home in the period before Christmas if another relative became unwell in order to reduce the risk to other staff or customers.
- 2.7 This is why, with the winter months having an impact on sickness levels, planned or unforeseen long-term sickness, and staff having a backlog of annual leave as a result of previous difficulties and/or furlough, the Town Council is working very hard to keep all services running to normal service standards.

	As at 26.01.22 (sickness recorded since 30 October 2021) (28 staff)	Cumulative total for the year 2021/22	As at 04.03.20 (sickness recorded in past six months) (29 staff)

Actual days taken as self-certificated sick leave	13.0 days	20.0 days	30.0 days
Actual days taken as long-term sick leave	73.00 days	102.00 days	0.0 days
Actual days taken for full Covid isolation (staff member unwell for full isolation period or in a position whereby they were unable to work from home)	21.0 days	-	-
Actual days taken for staff member supporting family member/dependent for Covid isolation but not unwell themselves	8.0 days	-	-
Actual days taken for Covid isolation but able to work from home some of the time	19.0 days	-	-

3.0 Personal learning and development

3.1 An online training portal has been set up by the Estates & Facilities Manager to enable all staff to easily carry out their refresher training in all aspects of our work.

4.0 Health and Safety Risk Assessments

- 4.1 Ongoing facility audits are being carried out frequently, with issues being addressed by staff or contractors.
- 4.2 First aid kits in all buildings are being monitored and updated regularly.
- 4.3 The Estates & Facilities Manager is ensuring regular water monitoring of each building to ensure Uckfield Town Council remains compliant. This has continued during the national lockdowns and covid restrictions.
- 4.4 Legionella's risk assessment, tank cleans and water samples for all managed buildings came back as a pass.
- 4.5 The Estates & Facilities Manager has been liaising with Uckfield Lions on maintenance for the Towns Defibrillators specifically on Town Council Buildings.

5.0 Fire Safety

5.1 The Estates & Facilities Manager has requested reviewed fire risk assessments from all tenants.

5.2 Additional smoke detection has been installed in the Council Chamber following fire risk assessment recommendations.

6.0 Miscellaneous

6.1 Although guidance has been issued by the UK Government & Public Health England with regards to Covid-19 from 27 January 2022, in that face coverings are no longer a requirement, face coverings will still be requested to be worn in communal areas of the Civic Centre, with cough screens and sanitiser points still in place.

7.0 Accident reporting – Quarter 4 (Jan-March 2021/22)

7.1 Nothing new to report.

Agenda Item 9.1(iii)

REPRESENTATIVES ON OUTSIDE BODIES: RIDGEWOOD VILLAGE HALL COMMITTEE (11 January 2022)

Ridgewood Village Hall Management Committee Report

The last meeting took place on January 11 2022 via Zoom.

New committee members were welcomed and given an introduction. Many members have been performing their committee duties through difficult personal circumstances but it was good to see their enduring collective support for one another.

The draft of a new constitution more appropriate for a CIO has been completed and submitted to the chair and vice-chair. It will be circulated to the wider committee in due course. Additional legal advice is also being sought to assist in completing the process.

Finances looking robust considering the circumstances - as they have remained throughout the pandemic - the lunch club has had a positive start. Energy tariffs presented a potential point of concern with some more investigation to follow.

Some repairs/replacements are need for the guttering as there is water coming into the Keith Everett room. The committee is seeking a quote for the work with a view to apply to the Town Council's grants committee.

Repainting the interior of the hall is being planned for a week during the summer. The committee is also working on a rolling repairs schedule to be implemented rather than bfs being worked on as they come up. This was wholeheartedly agreed upon by the committee with the intention to keep the hall in the best possible condition.

The Chair spoke warmly of the highly successful Christmas fair and gave her thanks to the committee for their involvement.

In previous years, the committee has held an Easter Bunny Hunt as well as a summer fair. This year, the committee plans to combine the two events, changing the summer fair to a spring fair. The combined event is being planned for April 16 with 20-25 spots being offered for stalls in case the weather is changeable.

The reestablishment of the Toddler Group has been a challenge. The group has been well attended but the hope was that a group of parents might want to take on the running of it. The chair was passionate to bring about its reinstatement and has taken on the lions share of the work but cannot continue to devote the needed time. Additionally, the committee has given this time slot pro bono as a charitable event but there is potential interest from a rent paying user. After a lengthy discussion of the prospect of someone taking it on and the intended community benefit, the difficult and sad decision was taken to conclude the group after the February half term if no parents come forward. If no-one is forthcoming then the group will be disbanded until such a time that someone from the community wishes to run it.

The lunch club has continued to be successful and the committee expressed their gratitude to the Highlands Pub for their catering. The kitchen is also due for inspection from environmental health their rating should be available for the next update.

The next meeting is set for April 12 2022 at 19:30, in person if possible depending on the wider situation.

Meeting of the General Purposes Committee

Monday 31 January 2022

Agenda Item 9.1(viii)

REPRESENTATIVES ON OUTSIDE BODIES: WDALC - 12 JANUARY 2022

Update from Wealden District Council

Cllr Standley started by saying that budget consultations are currently taking place with a predicted increase of £5 per year for Council Tax Band D properties and the cost of the Waste contract was expected to increase by 5%.

Wealden DC had been lobbying Government Ministers to get the housing numbers in the Local Plan reduced. Cllr Standley had a meeting with the Rt Hon Michael Gove and he felt that Mr Gove had understood the concerns. The concerns included the way the 5-year land supply was calculated. He stated that there were more than 7500 permissions for new properties that hadn't been built. The current use of 2014 population data rather than 2018 figures had also been questioned.

Cllr Standley had also met with the Chancellor of the Exchequer, Rishi Sunak. Cllr Standley asked many questions including the fact that Wealden DC rarely seemed to be allocated further funding from Central Government despite having areas of deprivation. The draft Local Plan was on track to be placed out for consultation in the Spring of 2022. The SHELAA had been delayed due to technical issues but this would not hold up the draft Local Plan.

A question was raised asking if the 2016 Planning Enforcement Policy had been updated. Cllr Standley advised that it had and this could be found at www.wealden.gov.uk/UploadedFile/WEALEN-PLANNING-ENFORCEMENT-STRATEGY-2020-final.pdf

The bid to improve the roundabouts on the southern section of the A22 was still going ahead. The cost was expected to cost £35m and Wealden DC would be contributing £4m

Infrastructure improvements were planned but Wealden DC did not provide these. Parking was an issue discussed but ultimately the aim was to reduce the number of cars and encourage an increase in walking and cycling. The demand for office spaces, large warehouses and smaller units was high. There was then a long report on overdevelopment in Wealden. A copy is attached in Appendix A.

Update from Chair of WDALC

Cllr Stevens, the Chair of WDALC said that he had been elected as Chair of NALC. All new committees had been set up and each were setting their priorities. Cllr Stevens had also attended a meeting with the Housing Minister to put across what Parish and Town Councils do and their need for more funding. Cllr Stevens wanted to ensure that NALC was more transparent and to speak to Town and Parish Councils more. NALC were also pushing for remote meetings to be allowed again. This would require new legislation to do this.

Cllr Diane Ward

APPENDIX A

Councillor Mikelis from Chiddingly Parish Council read from his report which said;

'Our Parish Council in June 2021 set up a working group to consider and to address concerns that Wealden is being over-developed.

Having studied the National Planning Policy Framework, its Guidance, the Ministry's "standard method", and statistical projections by the Office of National Statistics, we concluded that the cause of the relentless destruction of our countryside is the current housing policy of the government. We also concluded that Wealden District Council suffers from government pressure to deliver its housing quotas.

The government has repeatedly declared that it wants 300,000 new houses to be built each year in England. It justifies this using the 2014 projections of the Office of National Statistics which show that for 2022 to 2032 England will need 211,498 new houses each year. Using two uplift factors, the Ministry makes the ONS data stretch to the desired figure of 300,000. However, the most recent, and thus more accurate, projections published by ONS in 2018 show an annual need of only 158,286 new homes for 2022 to 2032. By ignoring this 25% reduction in demand, the Ministry maintains its target on its economic mantra of 300,000. Looking at our own district, the 2014 ONS projections for Wealden for each year of the decade ahead were for 866 new houses. Using its fudge factors, the Ministry inflates this to 1,236 new houses each year, while the 2018 ONS projections show a need for just 581 new houses each year. In other words, a demand of 581 has become a command for 1,236! Obviously, our elected representatives are leading us down the wrong path.

Having understood the problem, we then approached the group of seven neighbouring Parish Councils that had formed a Focus Group and proposed that we join our voices in opposing this skewed system, whereby Wealden District Council must now operate under the "presumption in favour of sustainable development". We all agreed to write a letter to the Secretary of State for "Levelling Up, Housing and Communities" (Mr Michael Gove), to outline our concerns and objections; to request that the "standard method" is abandoned; and to ask that our Local Planning Authority is allowed to assess its needs based on objectively determined local factors.

The letter to the Minister was sent on 6th December. It was also copied to the Prime Minister, to MPs whose constituencies cover parts of Wealden, to MPs of opposition parties who hold housing portfolios, to all councillors of Wealden DC, to Directors of WDC, to all clerks of parish councils in Wealden and to numerous press outlets.

On the 17th December we received a rather long reply from an anonymous Ministry official, which skilfully avoided to address the substance of the issues raised in our letter. On the 20th December we reverted with the following message to the Ministry: "Further to your reply of 17th December please allow me to insist that Mr Gove should see himself the letter that I had sent him on 6th December on behalf of seven parish Councils in Wealden. I understand that Mr Gove had a productive meeting with the leaders of Wealden District Council on the 10th December discussing the very subjects contained in our letter and your reply, and we therefore wish to be sure that the reply we received fully reflects Mr Gove's current thinking." Today, 12th of January, we received the following response from the Ministry: "With apologies for not responding sooner, this is just to confirm that we have forwarded your request for the Secretary of State to see the letter that you sent on 6 December, on behalf of the Wealden Parish Councils, to Mr Gove's office".

Although the government's initial response was disappointing, it was not surprising. Nor should it be surprising to the Ministry that we are not satisfied by their response. In fact, following the rather wide distribution of copies of our letter to Mr Gove, the voices against overdevelopment have been growing. On the 8th of January 2022 a group of eleven parish Councils in the Lewes District wrote to Mr Gove, raising the same issues we did and demanding that the government revise their planning formula.

Also, having copied our letter of 6th December to the Clerks of all parish and town Councils in Wealden, several councils have approached us supporting our initiative. We aim to organise in March a meeting of Wealden's parish and town Councils to try and coordinate opposition against the unsustainable development that is being forced on us.'

This process, which also has support from Senior Members and Officers at Wealden District Council, will continue alongside the Cluster Meetings.
