NEW MAYOR AND DEPUTY MAYOR

The Mayor - Cllr Jackie Love

It is an incredible honour to have been nominated and voted in as the Mayor of Uckfield. I feel very humbled and have great appreciation of the tradition and legacy that previous Mayors of Uckfield have left for me to emulate, especially my dear friend and colleague Spike. Having worked alongside Spike for the last three years as Deputy Mayor, I am fully aware of the commitment I need to make to the town and it's residents.

I, along with Donna as Deputy Mayor, will support the town, residents and events for the next year and ensure we, as a council, work hard for the town. Finally, I would like to thank everyone who sent kind and supportive messages on the social media pages that appeared just after the elections. Your words made the evening even more special and extremely emotional.

Deputy Mayor - Cllr Donna French

As Jackie has said; it's a great honour to have been voted in to this role. I am extremely excited to embark on this year as her Deputy. I have watched and

learnt from both Jackie and Spike over the last few years. They worked so well together and represented the town with gusto!

One of my objectives when becoming a town councillor was to help make the council more approachable for everyone. I shall continue with this as I support my friend our new Mayor Jackie Love.

In these uncertain times, Luxfords Restaurant now provides a take-away menu for its customers featuring many of the favourites.

Afternoon tea boxes and Children's picnic boxes are also available to take away if ordered the day before.

Example of the Afternoon Tea takeaway box - make it extra special by adding a bottle of sparkling wine!

Give the kids a treat with their own picnic boxes!

ALLOTMENTS UPDATE

New Allotment Working Group

On 14 June, Environment & Leisure Committee set up a new allotment working group. This group will have responsibility for working with officers to look in detail at the feedback received from tenants on the proposed change in fees and charges from 1 April 2022, and to explore options for allotment land in the future.

Current workload

With approx. 238 useable allotment plots across our six sites and a mounting waiting list since the first Covid-19 lockdown, our Senior Administrative Officer is kept busy day to day with general enquiries, handling new, or changes of tenancy agreements, allotment disputes, allotment vandalism, reporting repairs and processing our annual invoicing procedures with associated water bill calculations. This is in addition to the work undertaken by our Grounds staff who undertake mowing, hedge cutting, and frequently carry out repairs to the fences, gates and allotment taps.

Reviewing your feedback

We would like to reassure allotment tenants that we would never expect

the income received to cover all expenditure and fully understand the legislation through which allotments should be managed. The new working group will be tasked with reviewing:

- the proposed new fee structure by size of plot and look in detail at fairness within the new pricing structure,
- the decision to remove concessionary discounts.

Looking at future demand

The allotment working group will also be tasked with exploring the current level of demand for allotment plots, the potential pressure that any future development may have on the town and to explore options for allotment land in the future; whether that involves utilising existing land owned by the Town Council or encouraging developers to think of allotment space in their plans for the future.

Improving communication

We will be looking at the service we provide as owners of the allotment sites, and how we can improve our communication with you of what we, the Allotment Association and local businesses can do to support you!

UPCOMING MEETINGS

Agendas and minutes can be seen at Uckfield Library and on the town council website. Meetings will now be

held in person either in the Weald Hall or Council Chamber at the Civic Centre. All meetings start at 7pm.
