

Meeting of Full Council

Monday 23 January 2023

Agenda Item 8.0 (iii)

TO RECEIVE REPORTS FROM FULL COUNCIL WORKING GROUPS: UCKFIELD DEMENTIA FORUM

The Festive Gift Bags were well received with 30 being distributed. Warm Hubs have now been formed for each week day at various locations around the Town and those living with dementia and their careers are very welcomed to attend.

Uckfield Memory Moments cafe continues to meet every Monday at the Civic Centre from 1.30 to 4.30pm.

We plan to undertake a survey with the three Doctor's surgeries in Uckfield (including Buxted) to understand the current support they are providing patients living with Dementia to examine if we can help to reinforce that and also to provide similar services across the Town.

National Dementia Action Week commences on the 15th May and we are currently considering activities and events we could arrange to make that a special week in Uckfield.

Councillor Paul Sparks
Chair of Uckfield Dementia Forum,
