UCKFIELD TOWN COUNCIL

Minutes of the meeting of the General Purposes Committee held in the Council Chamber, Civic Centre, Uckfield on Monday 17 March 2025 at 7.00pm

PRESENT:

Cllr. D. Ward (Chair) Cllr. C. Macve (Vice Chair) Cllr. J. Love

Cllr. D. Manvell Cllr. P. Selby Cllr. A. Smith

IN ATTENDANCE:

Councillor Karen Bedwell Sarah D'Alessio – Assistant Town Clerk & RFO Holly Goring – Town Clerk Minutes taken by Holly Goring

1.0 **DECLARATIONS OF INTERESTS**

Members and officers were reminded to make any declarations of personal and/or prejudicial interests that they may have in relation to items on the agenda.

In relation to agenda item 5.4 - recommendations from Finance Sub-Committee for community grant allocations, there were a few members who had declarations of interest.

Councillor Cox - prejudicial interest in Uckfield Youth Trust; Councillor Manvell - personal interest in Uckfield Youth Trust; Councillor Ward - personal interest in St. Peter & St. James Hospice; Councillor Macve - prejudicial interest in The Luxford Centre; Councillor Love - prejudicial interest in Uckfield Bonfire & Carnival Society, and a personal interest in Sussex Support Services as an employee;

In those circumstances it wouldn't leave many councillors to vote on the grant allocations, and as a result the Town Clerk further reviewed the detail of each of these interests. Based on the interests being personal for both Councillor Manvell and Councillor Ward, and these councillors having no financial gain, they were given a dispensation to participate and vote on the recommendations set out.

Councillor Love's personal interest in Sussex Support Service required her to leave the room for confidential business agenda item 12.1.

2.0 STATEMENTS FROM MEMBERS OF THE PUBLIC ON MATTERS ON THE AGENDA AT THE CHAIRMAN'S DISCRETION No statements were received.

3.0 APOLOGIES FOR ABSENCE

Apologies had been received from Councillors V. Frost and P. Ullmann due to personal and work commitments respectively. Councillor B. Cox advised that he would be arriving late due to running late from a personal commitment but did not make the meeting.

4.0 MINUTES

- 4.1 <u>Minutes of the meeting of the General Purposes Committee held on the</u> <u>3 February 2025</u>
- **<u>GP40.03.25</u>** Members **RESOLVED** that the minutes of the meeting of the General Purposes Committee on 3 February 2025 be taken as read, confirmed as a correct record and signed by the Chair.
 - 4.2 <u>Action list</u> Members noted that action GP38.02.25 had been completed and the new accountant notified. Members subsequently noted the report.
 - 4.3 <u>Project list</u> Members noted the updates within the report.
 - 4.4 <u>Forward plan</u> Members noted the items detailed within the Forward Plan.

5.0 FINANCIAL MATTERS

- 5.1 <u>To note bills paid</u> Members noted the bills paid.
- 5.2 <u>To note the income and expenditure reports up to 31 January 2025</u> Members discussed the detail within the reports.

Councillor Manvell, as Chair of Finance Sub-Committee advised that the Sub-Committee had set out to undertake a review of the Town Council's hospitality services this year, in preparation for the 2026/27 budget setting. The Town Clerk advised that the sales figures were on track which represented the hard work of the team, but rising food prices were impacting expenditure alongside salary/NI costs.

Councillor Macve noted the positive set of figures under GP Committee. Members noted the content of both reports.

- 5.3 <u>To receive the minutes of Finance Sub-Committee on 26 February 2025 and 10</u> <u>March 2025</u> Members received the draft minutes of the Finance Sub-Committee held on 26 February and 10 March 2025.
- 5.4 <u>To consider the recommendations of the Finance Sub-Committee held on 26</u> <u>February and 10 March 2025</u> Members were presented with three recommendations which they were required to ratify, to ensure completion:
 (i) ratification of the proposed withdrawal of some funds from the 35 day account;
 (ii) ratification of the proposed allocation of community grant funding for 2025/26;
 (iii) cancellation of the return of the final remaining funds, from a past awardee, that had since disbanded:

<u>GP41.03.25</u> (i) Members **RESOLVED** to agree to the withdrawal of the required amount (£100k was determined by the RFO) from the 35 day account to ensure adequate funds were available until the first half of the annual precept was received at the end of April 2025.

Councillors Love and Macve left the room for discussions on the Community Grant funding allocations.

Councillor Selby sought clarification on the funds proposed to be allocated to Uckfield College Counselling Service.

Councillor Smith sought clarification on the three organisations that had not been allocated funding. Councillor Manvell advised that the sub-committee prioritised applicants who were utilising the funds towards the provision of their services. They were concerned that the project identified for Selby Meadows couldn't be achieved within the year, and there were potentially more cost effective ways of delivering this project. The Town Council didn't have the funds available to invest the amount requested.

The Chair reiterated how difficult the Finance Sub-Committee meeting had been. 28 applications had been received for 2025/26 requesting £56k, and there were many discussions on how to prioritise the spread of the £22k funding available.

Members also noted that some of the frequent recipients of grant funding would need to be reviewed in more detail for future years – i.e. whether the receipt of grant funding would be better served through the format of a service level agreement.

<u>GP42.03.25</u> (ii) After much discussion, and clarification, three members voted in favour, and **RESOLVED** to:

(a) write to all applicants to thank them for their attendance and for their patience, and;

(b) ratify the proposed allocation of grant funding for 2025/26.

The Town Clerk explained the situation and monies that had been returned by the now disbanded organisation, but that a small amount was outstanding, which would have left individuals personally liable.

<u>GP43.03.25</u> (iii) Members **RESOLVED** to write off the final figure and to strengthen the annual review of grant allocation spend, starting with the following actions:

- (a) The Town Council should strengthen its review of grants spent. A letter should be sent to all successful applicants within the first 6 months to check in on how the funding was being utilised.
- (b) Once the annual review report by Wealden Volunteering was received, any outstanding amounts would be reviewed again.

Councillor Smith returned to the meeting.

 - (ii) <u>Wealden Volunteering</u>

Councillor Selby, the Town Council representative, advised that the organisation had renewed their lease for the property on the High Street for a further five years. The lease agreement had a three-year break clause, so provided some flexibility. Members thanked Cllr Selby for the update.

- (iii) <u>Wealden District Association of Local Councils Mgt Committee</u> Nothing to report.
- (iv) <u>Wealden District Association of Local Councils Planning Panel</u> Nothing to report.

10.0 CHAIRMAN'S ANNOUNCEMENTS

The Chair, Councillor Ward, reminded everyone that it was the Annual Town meeting that Wednesday. The meeting would be taking place in the Council Chamber and start promptly at 7.00pm.

11.0 TOWN CLERK'S ANNOUNCEMENTS

The Town Clerk advised members that they had been approached by landowners LCP, regarding the open space south of Fuller & Scotts Funeral Director, and behind the flats from the High Street. The initial intention of the landowner was to provide a commercial car park. When asking the landowners for their ballpark figure for the site, they quoted £140k.

Members requested that the Clerk obtain more information through a land registry search, of:

- the exact size of site;
- any covenants or restrictions:
- any wayleaves;

The landowner would also need to make a formal offer to the Town Council, and set out the above.

<u>GP47.03.25</u> Members **RESOLVED** to suspend standing orders and extend the meeting by 15 minutes to allow time for the items still needing to be addressed under confidential business.

12.0 CONFIDENTIAL BUSINESS

- **<u>GP48.03.25</u>** It was **RESOLVED** that pursuant to Section 1 (2) of the Public Bodies (Admission to Meetings) Act 1960, because of the confidential nature of the business to be transacted it was advisable in the public interest that the public be temporarily excluded and they were instructed to withdraw.
- 12.1 <u>To consider the terms of the lease agreement for the first floor of Victoria Pavilion</u>
- <u>GP49.03.25</u> Members **RESOLVED** to task the Town Clerk with liaising with the leaseholder, to update them on the valuation range for the premise. Members agreed to a 10-year term for the premise, but agreed that legal advice would be required on whether to do one rent review period at five years, or a staircase approach.
- 12.2 <u>To consider the terms of the lease agreement for the Cemetery Chapel</u>
- <u>GP50.03.25</u> Members **RESOLVED** to task the Town Clerk with liaising with the leaseholder, to update them on the valuation for the premise. Holly Goring Uckfield Town Council

26 March 2025

Dear Holly

Uckfield Town Council

Second Interim Internal Audit 24-25

Following the second interim audit completed on 26 March, I attach my updated report for consideration by the Council. This was the second of three audits I intend to carry out to support my opinion on the 24-25 Annual Governance and Accountability Return (AGAR). I covered the following at this visit:

- Follow up previous recommendations
- Review of accounting and VAT processes
- Testing of expenditure months 9-12
- Risk management and insurance
- Budget setting
- Income whole financial year
- Transparency Code reporting

I am pleased to report that the Council has successfully maintained a robust system of financial control, and I have identified no matters to date that would result in a negative opinion on the year- end internal audit report. At Appendix A I list updated recommendations arising from the 24-25 audit.

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. The internal audit reports should therefore be made available to all members to support and inform them when they are considering the Authority's approval of the annual governance statement. I am required by Section 4 of the Annual Governance and Accountability Return (AGAR) to review controls in place at the Council against predefined control assertions. These control assertions are set out below, together with the results of testing carried out at the interim audit.

A - Appropriate books of account have been kept properly throughout the year

First Interim Audit

The Council maintains financial records on the Sage Accounting system. My testing confirmed that income and expenditure is balanced to the cashbook and reconciled to bank statements on a regular basis. In the course of my testing I confirmed there is a clear audit trail from the accounts to supporting documentation such as invoices.

I was not able to complete my testing of the brought forward balance on the Sage accounting system, as a number of year end journals form 23-24 have been posted into the current year. The RFO is looking into how to correct these journals, I will then retest the opening balance at my next audit.

The Council has a system of member audits. These are carried out each month, and a member is tasked with reviewing the following:

- Supplier invoices
- Sales ledger transactions
- Staff timesheets
- Bank and petty cash reconciliations

I checked that the member audit process has been operating in 24-25. The last member audit covered August 24, and this was actioned in October. Whilst I would like this check to be completed a little more promptly, I am satisfied that the member audit system is operating as expected.

The Council is registered for VAT, and submits VAT returns to HMRC on a quarterly basis. I reviewed the VAT return for quarter 2. The return was completed on 7 November 2024 and VAT of £23,715 was reclaimed from HMRC. I checked the VAT return and test checked that entries in the return could be agreed to VAT reports extracted from the Sage system.

At my 23-24 audit, I reported that the Council has not had a VAT review for some time and that knowledge of some VAT processes could be strengthened (eg the partial exemption calculation). The RFO confirmed that the Council has contacted a VAT expert to commission a VAT review, it is hoped that this will be completed before year end. This is important as the Council must understand partial exemption and option to tax arrangements in place at UTC.

Second Interim audit

The RFO confirmed that the Council has commissioned a light touch VAT review by the Parkinson Partnership. A visit has been made by the VAT expert and the report is due imminently.

B - The Council's financial regulations have been met, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for

First Interim Audit

Financial Regulations are based on NALC templates. The Council has adopted new financial regulations, based on the template published by NALC in May of this year. These were approved at the Full Council meeting in May 24, with a further amendment approved at the September 24 meeting. Standing Orders are also up to date, these were reviewed at the September 2024 Full Council meeting.

The Council has a clear process for making payment to suppliers,. Invoices are sent into the office, these are then reviewed against orders and coded and signed off for processing by the Town Clerk. The invoice is passed to the RFO, who inputs the invoice into Sage. Every 2 weeks a BACS run report is run from Sage. The RFO rechecks invoices against this report and the payment is entered by the RFO on to the Council bank account. Payments and payment run information is then presented to Councillors, who physically sign bank payment reports, and approve payments at bank. I reviewed the new financial regulations, this process is properly set out.

I carried out a sample test of non-pay expenditure transactions selected from the cashbook for the first 8 months of the financial year. Transactions were selected from the Day Books: Paid Invoices Report. I was able to confirm the following for all transactions:

- Payment agreed to invoice
- Invoice passed for payment by Town Clerk, evidenced on the face of the invoice
- Invoice signed off by 2 councillors on face of invoice
- VAT accounting correct
- Expenditure appropriate for this Council

There is a clear audit trail from Sage to source documentation to demonstrate compliance with Council financial regulations in the processing of payments to suppliers.

One project was reviewed as part of this testing – refurbishment of heating at Victoria Pavilion. The value of this project is \pounds 50,334. It is my opinion that this contract should have been advertised on the Contracts Finder website, this is set out in financial regulations:

6.7 For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation (*requiring councils to use the Contracts Finder website and to publicise the award of contracts over £30,000 including VAT, regardless of whether they are advertised*), regarding the advertising of contract opportunities and the publication of notices about the award of contracts.

Second Interim audit

A further sample of 5 expenditure transactions were selected from months 9-12 from the accounting system. For all transactions tested I was able to confirm that:

- Payment agreed to invoice
- Invoice passed for payment by Town Clerk, evidenced on the face of the invoice
- Invoice signed off by 2 councillors on face of invoice
- VAT accounting correct
- Expenditure appropriate for this Council

I have now concluded my testing of expenditure for the year, and I am satisfied that the Council has been following financial regulations in the way that expenditure and payments are approved.

<u>C - The Council assessed the significant risks to achieving its objectives and</u> reviewed the adequacy of arrangements to manage these.

First Interim Audit

Second Interim Audit

The Council has completed the review of the Risk Management Policy for 24-25 – Full Council January 2025, minute 84.1.25, following detailed review by the General Purposes Committee. The Risk Management Policy is published on the Council website. It is comprehensive and there is evidence of review in year.

I reviewed the members audit file, and found that checks were up to date. The January review had been completed, and the February review is due once month end reconciliations have been finalised. I confirmed that the quarterly review of the bank reconciliation has been completed, this was actioned as part of the December review by members.

I note that the Council budget for 25-26 is close to $\pounds 2$ million. In order to meet external audit requirements, it is recommended that the process for confirming the appointment of internal audit is strengthened. The Council should minute:

- That it has considered the independence of the internal auditor
- That it has considered the internal audit work programme
- That it has satisfied itself as to the competence of the internal auditor
- That is has agreed a letter of engagement

All information required to assist the Council in this process is set out in my annual engagement letter.

D - The annual precept requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate

First Interim Audit

The precept and budget setting process for the 25-26 financial year is under way. I will review further at my next visit.

I confirmed regular budget monitoring reports, as required by financial regulations, continue to be produced for Council meetings, by reviewing minutes. I sample checked the following

- Environment and Leisure position at end of August delivered to the October committee meeting
- Quarter I position for whole Council was reported at the October Council meeting. This is a little in arrears, ideally budget monitoring reports should be delivered to members within I month of the end of each quarter.

- Accounting •

I discussed the Council's earmarked reserve balances with the Clerk and the RFO. The Council has too many earmarked reserves, and should look to consolidate these into a smaller number of more meaningful reserve balances, covering the following:

- Reserves to support fixed assets repair and replacement
- Contingencies
- Projects
- Balances that must be earmarked (eg CIL / grants received and capital receipts)

Second Interim Audit

The budget and precept for 25-26 were approved at the Full Council meeting on 13 January 2025. An annual budget of $\pounds 1.986$ m was set, alongside a precept of $\pounds 1.321,884$. The budget was set following review by Council sub committees, and final detailed review of the overall council budget by the Finance sub-committee. Precepting authority deadlines were met.

I will review reserves at my year end audit, the RFO has confirmed that reserves have been reviewed and rationalised in 24-25.

E - Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for for

Second Interim Audit

I tested a sample of income transactions selected from the bank receipts report extracted from Sage for the whole of the financial year.

For Luxfords and functions income I completed the following tests:

- Income per sage agreed back to z reading on till
- I checked cash figure on till report to physical cash count signed off by supervisor and RFO
- Cash banking agreed to paying in slip and to bank statement
- Credit card banking per till report agreed to bank statement

I have two recommendations.

- The Council does not currently have a process for dealing with imbalances identified when the till is cashed up each day. All imbalances should be reported to the RFO as soon as they are identified, and examined as part of the banking process.

- Accounting -

- The till used for food and bar sales is a number of years old, and a time consuming manual process has to be followed to enter sales data on to the accounting system. There are a number of electronic point of sales (EPOS) systems available in the market that can be integrated with the Sage accounting system. The Council may wish to explore options available.

I checked recommendations raised at last audit relating to Luxfords have been implemented by the Council

Other income was also tested:

- Ticket sales through eventbrite agreed to report from ticket agency and to bank statement
- CIL income agreed to remittance advice note from the district council
- Room Hire a sample of room hire credits were tested from the ledger back to invoices. I then recalculated invoices and checked these had been raised in line with approved fees and charges.
- Rental Income agreed to shorthold tenancy
- I note that the Council lets a room to a small business. I note that this has rent has not been reviewed since 2022. I therefore recommend that this rent is reviewed in the next 6 months.

I checked the sales ledger at 27.3.25. Debts outstanding at this time were \pounds 30,139, of which \pounds 5,810 was more than 90 days old. I discussed all older debts more than \pounds 500 with the RFO and Town Clerk, and I am satisfied that arrangements are in place to pursue these debts. The Council may wish to move debtors with a history of late payment on to payment in advance if they wish to continue using Council facilities.

F - Petty cash payments were properly supported by receipts; all petty cash expenditure was approved and VAT appropriately accounted for

G- Salaries to employees and allowances to members were paid in accordance with council approvals, and PAYE and NI requirements were properly applied.

First Interim Audit

The RFO logged into the HMRC account on 12 November. This showed that the Council is up to date with HRMC submissions and no payments are outstanding.

Payroll is processed monthly, in good time for monthly payments to staff. Timesheets are sent into the office, these are inspected and signed off by the Town Clerk. The RFO sets up the monthly payroll on the Sage payroll system, and checks outputs prior to further processing. Payroll is set up on Natwest Bankline. The Bankline report is signed by the RFO, and checked and signed by the Town Clerk. Authorisation for payment is provided by a councillor, evidenced by signature on the Sage Payroll Summary page

I checked the August 2024 payroll. The cashbook payment was agreed to the payroll summary and the to the bankline report. I confirmed the bankline report had been reviewed and signed off by the RFO / Town Clerk and a councillor. Payments to HMRC and the pension provider were agreed back to payroll reports.

I selected 4 members of staff from the bankline report. For all staff selected I was able to agree pay to payslip. I tested gross pay for each officer, and confirmed that this could be agreed to a pay award letter. Correct scale point was applied, as set out in payscales published by NALC and all scale points were checked to staff pay award letters.

I am satisfied that the Council has a robust payroll system, is up to date with HMRC submissions and payments, and that staff tested are being paid in line with approved rates of pay.

H - Asset and investments registers were complete and accurate and properly maintained.

<u>I – Periodic and year-end bank account reconciliations were properly carried</u> out.

First Interim Audit

I reviewed the bank reconciliation file. There is clear evidence that bank reconciliations are being completed on a regular basis, the member audit file provided confirmation that these bank reconciliations are being reviewed by members. Bank accounts held by the Council are set out below:

| Account | Sage Balance | Note on reconciliation | | | | |
|-------------------------|----------------------------------------|------------------------------------------------------------------------------------------------|--|--|--|--|
| 1210 – clerks account | 0 | Reconciled 1.10.24 by RFO | | | | |
| 1200 – General Account | 200,008 – End Aug | Reconciled to end of august, September reconciliation being prepared for member audit | | | | |
| 1221 – Fixed Rate Bond | Once a year statement | Reconciled annually when bank sends statement | | | | |
| 1224 – Lloyds Bank | Account being be prepared for closure. | Reconciled annually when bank sends statement | | | | |
| 1225 – 35 Day account | 101,837 – End Sept | Reconciled 1.10.24 by RFO | | | | |
| 1226 – 95 Day account | 409,189– End Sept | Reconciled 1.10.24 by RFO | | | | |
| 1227 – Business Reserve | 629,596– End Sept | Reconciled 1.10.24 by RFO | | | | |

I reperformed the September bank reconciliations for accounts highlighted in yellow, and August for the general account, highlighted in blue. No reconciliation has been prepared in 24-25 for the fixed rate and Lloyds accounts, the bank only issues statements annually. The September bank reconciliations are due to be checked as part of the next member audit, but had not been signed off as correct at the time of my interim audit. I confirmed that these checks had been completed by a councillor for August 24.

J - Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, were supported by an adequate audit trail from underlying records, and where appropriate debtors and creditors were properly recorded.

Year end test

K: If the authority certified itself as exempt from a limited assurance review in 23-24, it met the exemption criteria and correctly declared itself exempt.

L: The Authority publishes information on a free to access website/webpage up to date at the time of the internal audit in accordance with any relevant transparency code requirements

Second Interim Audit

The Council meets the requirements of the 2015 Transparency Code by publishing information on the "Transparency on Spend" tab on the website. I checked data at my second interim audit in March and sample checked the following:

- Expenditure data transactions over £250 published to the end of January 2025
- Grants awarded published showing awards made in January 2025
- Land asset register and property management plan published.

Data was up to date and Transparency Code requirements are being met.

M - Arrangements for Inspection of Accounts

Inspection periods for 23-24 accounts were set as follows

| Inspection - Key date | 23-24 Actual |
|--------------------------------------|--------------|
| Accounts approved at Full Council | 26 June |
| Announcement | 27 June |
| Inspection period begins | 28 June |
| Inspection period ends | 8 August |
| Correct length | Yes |

The Council met the requirements of this control objective.

N: Publication requirements 23-24 AGAR

The Statement of Accounts, Annual Governance Statement and the external audit certificate for 23-24 are published in document archive section of the Council website. The external audit certificate was qualified – External audit comments are set out below:

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR. The smaller authority has confirmed that payments to purchase fixed assets have been excluded from Section 2, Box 6. Please note that the Practitioners' Guide requires that Box 6 includes the costs of purchasing fixed assets. The figures in Boxes 6 and 7 should read £826,974 and £1,249,896 respectively.

I have discussed this matter further with the RFO, the amendment relates to accounting for payments for fixed assets. UTC incorrectly excluded £20K of fixed asset expenditure from expenditure figures in the 23-24 accounts. The Council must:

- Amend the opening balances on the accounting system to reflect the adjustments recommended by external audit
- Ensure that the amended 23-24 figures are included in next year's AGAR

- Check that no similar issue arises as part of 24-25 closedown.

The Conclusion of Audit certificate was published on 27

September, after the date of the audit certificate (26 September), and before the regulatory deadline of 30 September. The external audit certificate was reported to the meeting of Full Council on 21 October (agenda item 10.0).

The Council is required by regulations to publish AGAR documentation for the previous 5 years. I have checked the Council website, and I was able to view AGAR documentation going back to the 2017-18 financial year.

<u>O - Trust funds (including charitable) The council met its responsibilities as a trustee.</u>

Satisfactory –The Council has confirmed to me that the Council is not sole trustee of a charity.

I would like to thank you for your assistance with the audit. I look forward to meeting you for the year end audit. I attach my invoice for your consideration

Yours sincerely

MATTERS ARISING 24-25 AUDIT

FIRST INTERIM AUDIT

| Matter Arising | Recommendation | Council Response |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| I was not able to complete my testing of the brought forward balance on the Sage accounting system, as a number of year end journals form 23-24 have been posted into the current year. | The RFO is looking into how to correct these journals, I will then retest the opening balance at my next audit. | |
| At my 23-24 audit, I reported that the Council has not had a VAT review for some time and that knowledge of some VAT processes could be strengthened (eg the partial exemption calculation). | The RFO confirmed that the Council has contacted a VAT expert to commission a VAT review, it is hoped that this will be completed before year end. This is important as the Council must understand partial exemption and option to tax arrangements in place at UTC. | |
| One project was reviewed as part of this testing – refurbishment of heating at Victoria Pavilion. The value of this project is £50,334. | It is my opinion that this contract should have been advertised on the Contracts Finder website | |
| The Council has too many earmarked reserves, | UTC should look to consolidate these into a smaller number of more meaningful reserve balances, covering the following: | |
| | Reserves to support fixed assets repair and replacement Contingencies Projects Balances that must be earmarked (eg CIL / grants received and capital receipts). | |

SECOND INTERIM AUDIT

| Matter Arising | Recommendation | Council Response |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| In order to meet external audit requirements, it is recommended that the process for confirming the appointment of internal audit is strengthened. | The Council should minute: That it has considered the independence of the internal auditor That it has considered the internal audit work programme That it has satisfied itself as to the competence of the internal auditor That is has agreed a letter of engagement | |
| Bar and Food Sales The Council does not currently have a process for dealing with imbalances identified when the till is cashed up each day. | All imbalances should be reported to the RFO as soon as they are identified, and examined as part of the banking process. | |
| Bar and Food Sales-The till is used for food and bar sales is a number of years old, and a time consuming manual process has to be followed to enter sales data on to the accounting system. | - There are a number of electronic point of sales (EPOS) systems available in the market that can be integrated with the Sage accounting system. The Council may wish to explore options available. | |
| I note that the Council lets a room to a small business. I note that this has rent has not been reviewed since 2022. | I therefore recommend that this rent is reviewed in the next 6 months. | |

1.0 GENERAL

- 1.1 These Financial Regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts. The Council is responsible in law for ensuring that its financial management is adequate and effective and that it has a sound system of financial control which facilitates the effective exercise of its functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These Financial Regulations are designed to demonstrate how the Council meets these responsibilities.
- 1.2 The post of Responsible Financial Officer (RFO) is a statutory office under section 151 of the Local Government Act 1972 and shall be appointed by the Council. The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with all Acts, Regulations and proper practices. The RFO shall determine on behalf of the Council its accounting records and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices. The RFO shall assist the council to secure economy, efficiency and effectiveness in the use of resources.
- 1.3 The RFO shall produce financial management information as required by the Council.
- 1.4 In these Financial Regulations:
 - 'Accounts and Audit regulations' means the regulations issued under Sections 32, 43(2) and 46 of the Local Audit and Accountability Act 2014, or any superseding legislation, and then in force, unless otherwise specified.
 - 'Approve' refers to an online action, allowing an electronic transaction to take place.
 - 'Authorise' refers to a decision by the council, or a committee or an officer, to allow something to happen.
 - 'Proper practices' means those set out in the Practitioners Guide.

 - 'Must' and **bold text** refer to a statutory obligation the council cannot change.
 - 'Shall' refers to a non-statutory instruction by the council to its members and staff;
 - 'Value for money' means the public sector definition of value for money. Value for money is based not only on the minimum purchase price (economy) but also on the maximum efficiency and effectiveness of the purchase (the three 'E's') plus equity. Achieving value for money can be described as using public resources in a way that creates and maximises public value.

- 1.5 Section 150(5) of the Local Government Act 1972 which governed the stewardship of money held by local councils has been repealed. It required that 'every cheque or other order for the payment of money be signed by two members of the Council'. Although this requirement has been repealed it is felt that it still remains good practice and will be retained by the Council, for the relevant method of payment.
- 1.6 Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7 Members of the council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.0 OUR COMMITMENT

Uckfield Town Council is committed to providing equal opportunities in employment and to avoid unlawful discrimination.

This policy is intended to assist the Town Council to put this commitment into practice. Compliance with this policy should also ensure that employees do not commit unlawful acts of discrimination.

Striving to ensure that the work environment is free of harassment and bullying and that everyone is treated with dignity and respect is an important aspect of ensuring equal opportunities in employment.

2.01.0 LEGAL POSITION

Under the Equality Act 2010 it is unlawful to discriminate <u>directly or indirectly in</u> <u>recruitment or employment</u> against an individual on the following grounds:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

These are known as "protected characteristics."

Discrimination after employment may also be unlawful, e.g. refusing to give a reference for a reason related to one of the protected characteristics.

The Town Council will not discriminate against or harass a member of the public in the provision of services or goods. It is unlawful to fail to make reasonable adjustments to overcome barriers to using services caused by disability. The duty to make reasonable adjustments includes the removal, adaptation or alteration of physical features, if the physical features make it impossible or unreasonably difficult for disabled people to make use of services. In addition, service providers have an obligation to think ahead and address any barriers that may impede disabled people from accessing a service.

3.0 PURPOSE

This Equality Policy helps us to meet our statutory duties under the Equality Act 2010. The Act requires us to have due regard to:

- Eliminate unlawful discrimination, harassment and victimisation;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and

• Foster good relations between people who share a protected characteristic and people who do not share it.

In particular, the Town Council intends to provide equal opportunities to all employees, irrespective of their characteristics (unless there are genuine occupational qualifications or objectively justified reasons for a different approach to be taken). We have due regard under The Public Sector Equality Duty to oppose all forms of unlawful and unfair discrimination whether it be direct or indirect discrimination, victimisation or harassment on the grounds of any of the protected characteristics defined in the Equality Act 2010. This Policy underpins all policies, procedures and strategies developed and delivered by the Town Council.

4.0 TYPES OF UNLAWFUL DISCRIMINATION

Direct discrimination is where a person is treated less favourably than another because of a protected characteristic.

In limited circumstances, employers can directly discriminate against an individual for a reason related to any of the protected characteristics where there is an occupational requirement. The occupational requirement must be crucial to the post and a proportionate means of achieving a legitimate aim.

Indirect discrimination is where a provision, criterion or practice is applied that is discriminatory in relation to individuals who have a relevant protected characteristic such that it would be to the detriment of people who share that protected characteristic compared with people who do not, and it cannot be shown to be a proportionate means of achieving a legitimate aim.

Harassment is where there is unwanted conduct, related to one of the protected characteristics (other than marriage and civil partnership, and pregnancy and maternity) that has the purpose or effect of violating a person's dignity; or creating an intimidating, hostile, degrading, humiliating or offensive environment. It does not matter whether or not this effect was intended by the person responsible for the conduct.

Associative discrimination is where an individual is directly discriminated against or harassed for association with another individual who has a protected characteristic.

Perceptive discrimination is where an individual is directly discriminated against or harassed based on a perception that they have a particular protected characteristic when they don't, in fact, have that protected characteristic.

Third-party harassment occurs where an employee is harassed and the harassment is related to a protected characteristic, by third parties.

Victimisation occurs where an employee is subjected to a detriment, such as being denied a training opportunity or a promotion because they made or supported a complaint or raised a grievance under the Equality Act 2010, or because they are suspected of doing so. However, an employee is not protected from victimisation if they acted maliciously or made or supported an untrue complaint. Failure to make reasonable adjustments is where a physical feature or a provision, criterion or practice puts a disabled person at a substantial disadvantage compared with someone who does not have that protected characteristic and the employer has failed to make reasonable adjustments to enable the disabled person to overcome the disadvantage.

5.0 EQUAL OPPORTUNITIES IN EMPLOYMENT

The Town Council will avoid unlawful discrimination in all aspects of employment including recruitment, promotion, opportunities for training, pay and benefits, discipline and selection for redundancy.

Recruitment

Person and job specifications will be limited to those requirements that are necessary for the effective performance of the job. Candidates for employment or promotion will be assessed objectively against the requirements for the job, taking account of any reasonable adjustments that may be required for candidates with a disability. Disability and personal or home commitments will not form the basis of employment decisions except where necessary.

Working practices

The Town Council will consider any possible indirectly discriminatory effect of its standard working practices, including the number of hours to be worked, the times at which these are to be worked and the place at which work is to be done, when considering requests for variations to these standard working practices and will refuse such requests only if the council considers it has good reasons, unrelated to any protected characteristic, for doing so. The Town Council will comply with its obligations in relation to statutory requests for contract variations. The Town Council will also make reasonable adjustments to its standard working practices to overcome barriers caused by disability.

Equal opportunities monitoring

The council will monitor the ethnic, sex/gender and age composition of the existing workforce and of applicants for jobs (including promotion), and the number of people with disabilities within these groups, and will consider and take any appropriate action to address any problems that may be identified as a result of the monitoring process.

The council treats personal data collected for reviewing equality and diversity in accordance with the data protection policy. Information about how data is used and the basis for processing is provided in the council's privacy notices.

6.0 DIGNITY AT WORK

The Town Council has a separate dignity at work policy concerning issues relating to bullying and harassment on any ground, and how complaints of this type will be dealt with.

7 0 PEOPLE NOT EMPLOYED BY THE TOWN COUNCIL

The Town Council will not discriminate unlawfully against those using or seeking to use the services provided by the council.

You should report any bullying or harassment by suppliers, visitors or others to the council who will take appropriate action.

8.0 TRAINING AND PREVENTION

The Town Council will raise awareness of equal opportunities to those likely to be involved in recruitment or other decision making where equal opportunities issues are likely to arise.

The Town Council will raise awareness with all staff engaged to work at the council to help them understand their rights and responsibilities under the dignity at work policy and what they can do to help create a working environment free of bullying and harassment. The Town Council will provide additional training to managers to enable them to deal more effectively with complaints of bullying and harassment.

We will carry out an assessment to assess the risk of different forms of harassment, including sexual harassment and third-party harassment, occurring in our workforce, in 2025/26. These forms could include the risks in different roles or service areas, the steps the Town Council could take to reduce those risks and which of those possible steps are reasonable.

9.0 EMPLOYEE RESPONSIBILITIES

Every employee is required to assist the Town Council to meet its commitment to provide equal opportunities in employment and avoid unlawful discrimination. Employees can be held personally liable as well as, or instead of, the council for any act of unlawful discrimination. Employees who commit serious acts of harassment may be guilty of a criminal offence.

Acts of discrimination, harassment, bullying or victimisation against employees or customers are disciplinary offences and will be dealt with under the council's disciplinary procedure. Discrimination, harassment, bullying or victimisation may constitute gross misconduct and could lead to dismissal without notice.

10.0 GRIEVANCES

If you consider that you may have been unlawfully discriminated against, you should advise the Assistant Town Clerk & RFO, who will refer to the Town Council's Grievance Policy in reviewing the complaint. If the complaint involves bullying or harassment, the grievance procedure is modified as set out in the dignity at work policy.

The Town Council will take any complaint seriously and will seek to resolve any grievance that it upholds. Employees will not be penalised for raising a grievance, even if their grievance is not upheld, unless their complaint is both untrue and made in bad faith.

11.0 MONITORING AND REVIEW

This policy will be monitored periodically by the Town Council to judge its effectiveness and will be updated in accordance with changes in the law.

Date of policy: April 2025 Approving committee: General Purposes Committee Date of meeting: 28 April 2025 (to be ratified by Full Council on 19 May 2025) Policy version reference: v2 Supersedes: Equality Policy (revised 2017) Policy effective from: May 2025 Date for next review: October 2026

Meeting of the General Purposes Committee

Agenda Item 8.1

TO RECEIVE A REPORT ON HEALTH AND SAFETY WITHIN THE COUNCIL

1.0 Summary

1.1 This report provides an update for members on the various elements of health and safety that need to be considered within the organisation.

2.0 Health and wellbeing of staff

- 2.1 The following table provides an update on sickness levels for the period between 1 April 2024 and 31 March 2025. Across the year, we had three members of staff on long-term sick leave (2 x Restaurant, 1 x Grounds team).
- 2.2 We were also impacted by the surge in viruses this winter, which further affected staffing levels across all areas of the organisation.

| | As of 31 March 2025 (sickness recorded since 1 April 2024) (29 staff) | As of 31 March 2024 (sickness recorded since 1 April 2023) (30 staff) |
|------------------------------------------------------------|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| Actual days taken as short-term Doctors' certificate | 8.0 days | 36.0 days |
| Actual days taken as self-certificated sick leave | 107.0 days | 125.0 days |
| Actual days taken as long-term sick leave | 88.0 days | 10.0 days |

2.3 If we then look at the starting period for April 2025, this has been further impacted by seasonal viruses, and we have one member of staff currently recovering from an operation.

| | As of 22 April 2025 (sickness recorded since 1 April 2025) (30 staff) |
|------------------------------------------------------|--------------------------------------------------------------------------------|
| Actual days taken as short-term Doctors' certificate | 0.0 days |
| Actual days taken as self-certificated sick leave | 7.0 days |
| Actual days taken as long-term sick leave | 5.0 days |

2.4 The Assistant Town Clerk & RFO continues to liaise with the East Sussex Wellbeing at Work Programme.

3.0 Personal learning and development

3.1 Following on with the training plan that has been drawn together by Management Team, the Grounds team are due to attend training during April and May 2025 including PA1 & PA6 spraying, Brushwood Chipper, Brush cutter, Handheld hedge cutter, Pedestrian mower and Tractor driving.

We have one member of staff undergoing a Level 4 Apprenticeship in Community Engagement with LDN. We secured Apprenticeship Levy funding from East Sussex County Council to do this, and thank them for their support.

All other online training is still under review.

4.0 Health and Safety Risk Assessments

- 4.1 First aid kits in all buildings have been replaced due to reaching the end of their three-year lifespan. They will continue to be checked regularly using a new streamlined form. The defibrillator has failed it monthly check within the Civic Centre, despite having new batteries fitted recently. A replacement has been ordered.
- 4.2 Regular water monitoring continues to be carried out in each building to ensure Uckfield Town Council remains compliant. This includes reviewing the Legionella's risk assessment, tank cleans and water samples for all managed buildings. An external contractor has been appointed to audit these checks for review by the Estates and Facilities Manager. Remedial works have been priced by two contactors for comparison with a view to completing this in the next few months.
- 4.3 Electrical Installation Condition Reports (EICRs) have now been now carried out in 2A Vernon Road, Foresters Hall, Foresters Chapel, The Source, Luxford Field power box, Uckfield Community Fridge, Civic Centre, Bridge Cottage, Ridgewood Village Hall, Victoria Pavilion, West Park, the Cemetery Chapels, Osborn Hall. Bridge Cottage, Ridgewood Village Hall, Osborn Hall and West Park Pavilion have funded their EICRs as a result of having a full repairing lease. The remedial follow up works have all been completed apart from the Civic Centre which is scheduled in for a quieter time in May 2025 so as not to disrupt the users on the building.

5.0 Fire Safety

- 5.1 Fire compliance is being carried out and recorded as well as a new Fire Folder having been created.
- 5.2 Quarterly fire alarm and emergency lighting servicing has been carried out and has change over to the new contractor. This will provide a more inclusive service and a reduced cost.
- 5.3 External Fire Risk Assessments were carried out in December with a very small amount of remedials still outstanding.
- 5.4 Fire training is been continually being carried out to aid with evacuations and fire drills.
- 5.5 Fire doors have been replaced in each of the buildings (Foresters Hall, Victoria Pavilion and West Park Pavilion) and final snagging works are due to be completed by the end of April 2025.

- 5.6 Fire extinguishers have been serviced and replaced with the inclusion of Snatts Road Chapel.
- 5.7 Fire dampers have been serviced with a small amount of remedial works to be carried out.
- 5.8 The evacuation chair at the Civic Centre has had its 6 monthly service.
- 5.9 East Sussex Fire & Rescue attended in March to carry out a Fire Safety Audit and signed off all sites with no further actions.
