1.0 GENERAL

- 1.1 These Financial Regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts. The Council is responsible in law for ensuring that its financial management is adequate and effective and that it has a sound system of financial control which facilitates the effective exercise of its functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These Financial Regulations are designed to demonstrate how the Council meets these responsibilities.
- 1.2 The post of Responsible Financial Officer (RFO) is a statutory office under section 151 of the Local Government Act 1972 and shall be appointed by the Council. The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with all Acts, Regulations and proper practices. The RFO shall determine on behalf of the Council its accounting records and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices. The RFO shall assist the council to secure economy, efficiency and effectiveness in the use of resources.
- 1.3 The RFO shall produce financial management information as required by the Council.
- 1.4 In these Financial Regulations:
- 'Accounts and Audit regulations' means the regulations issued under Sections 32, 43(2) and 46 of the Local Audit and Accountability Act 2014, or any superseding legislation, and then in force, unless otherwise specified.
 - 'Approve' refers to an online action, allowing an electronic transaction to take place.
 - 'Authorise' refers to a decision by the council, or a committee or an officer, to allow something to happen.
 - 'Proper practices' means those set out in the Practitioners Guide.
 - Practitioners Guide refers to the guide issued by the Joint Panel on Accountability and Governance (JPAG) and published by NALC in England
 - 'Must' and **bold text** refer to a statutory obligation the council cannot change.
 - 'Shall' refers to a non-statutory instruction by the council to its members and staff;
 - 'Value for money' means the public sector definition of value for money. Value for money is based not only on the minimum purchase price (economy) but also on the maximum efficiency and effectiveness of the purchase (the three 'E's') plus equity. Achieving value for money can be described as using public resources in a way that creates and maximises public value.

- 1.5 Section 150(5) of the Local Government Act 1972 which governed the stewardship of money held by local councils has been repealed. It required that 'every cheque or other order for the payment of money be signed by two members of the Council'. Although this requirement has been repealed it is felt that it still remains good practice and will be retained by the Council, for the relevant method of payment.
- 1.6 Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7 Members of the council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8 The accounting control systems determined by the RFO shall include:
- procedures to ensure that the financial transactions of the council are recorded as soon as practicable and as accurately and reasonably as possible;
 - procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct lost records;
 - identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
 - procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records, and measures to ensure that risk is properly managed.
- 1.9 **The council must not delegate any decision regarding:**
