

Meeting of the Full Council

Monday 20 October 2025

Agenda Item 7.0(ii)

TO RECEIVE REPORTS FROM REPRESENTATIVES TO OUTSIDE BODIES: NEIGHBOURHOOD PLAN STEERING GROUP

The steering group has been reconvened and due to meet at lunchtime on Monday 20 October 2025.

This meeting will seek to:

- (i) appoint a Chair for the steering group;
- (ii) consider the project timeline for consultation and adoption of the draft plan and associated documentation, and;
- (iii) identify gaps in the existing documentation, and identify where external expertise and support is required.

The former consultant who provided planning expertise in writing suitable planning policies is not currently available, so the Town Clerk has made contact with Locality, to see if they have a list of approved consultants for this area.

A new drop box will be set up for the steering group to share documentation, and update content.

A weblink to a drop box for the Wealden DC planning department has also been provided to the Town Council to upload their documents for initial screening.
